With Uplanders

THE BIG BLAST

Thanks to Ben Hunter, we saw the flash from the atomic blast Tuesday morning.

Like the reflection from a brilliant Fourth of July skyrocket, the sky momentarily was lighted up high in the horizon — even though the explosion was several hundred miles east of here. Light from the tremendous blast hovered in the sky for several seconds — just long enough to bring to reality the powerfulness of the atomic creation.

We are not a "Night Owl" like Ben Hunter and his faithful followers but we occasionally listen to his easy chatter during the wee hours. On Radio KFI from midnight on, "Ben" entertains with his unique lingo and with the two-way "beeper" telephone conversations.

He alerted all his listeners a few minutes before 5 o'clock on the morning of the big blast.

We hope we are never closer to the A bomb than we were on Tuesday.

BOYS CLUB OF UPLAND

It would be of interest sometime to count the number of organizations in this community. The total would be upwards of 500.

And now, another one!

Yes, the Boys Club of Upland has been started and a very important meeting of the new group will be held in the Upland Woman's club Monday night. There is nothing wrong with a community having many organizations, providing each serves a purpose.

The Boys Club of Upland has a real place here if its objectives are observed. It is estimated that about 100 youths reside in the area north of Foothill Blvd. near Campus Ave. To provide recreational facilities and adult leadership for this group, the Boys club has been formed.

The Assistance League of Upland has taken the lead with a substantial financial contribution. More money must be obtained — and of course that money will come from interested groups and individuals.

We heartily endorse its objectives, highly commend the personalities back of the movement and anticipate a great service to the youths.

FOOTHILL FOOTNOTES

SHOULD EUCLID'S PEPPER TREES BE REPLACED?

If the pepper trees of Euclid Avenue are being killed by the oak root fungus and are to disappear from the parkway, should they be replaced?

This question came to mind after we heard the city council discussing the fatality rate and certain fate of our beloved pepper trees.

In our opinion, nothing can ever adequately replace the peppers. Ontario, acting on the best advice regarding desirable trees, has begun a replacement program, substituting magnolia trees for the peppers.

But to our mind, a parkway lined with magnolia trees would be uninspiring. First of all, they would be replaced as the peppers die and are removed, so there is likely to be no regimentation in size. A row of magnolia trees at all heights does not provoke a lovely mental picture for us.

Due to the type of tree the pepper is, and its particular foliage, a row of this species reaching different heights looks fine, for its nature is not to present a formal scene.

We therefore would favor no trees on the Euclid Ave. parkway if the grand dame of tree society, the gnarled, twisted, and ungainly pepper with its cascading foliage providing lacy dress, is not to be replaced.

While a treeless parkway would perhaps be revoked by nostalgic sentiment, we ask others to envision the parkway with any other tree, be it magnolia or otherwise, which would be planted as the peppers die.

Euclid Ave., with a turf of velvet green, and perhaps areas of landscaping, would still be a thing of beauty,

Warders Field Ceremonies At 12:45

Dedication ceremonies for Warders Field, Campus Ave. and Eighth St., will serve as a fitting feature Thursday, Memorial Day, as the Little League and Pony League launch their summer ball seasons.

Garwood Warders, Upland Youth Baseball Assn. commissioner, is being honored as the new ball field is named for him. Following dedicatory remarks by Mayor Donald C. Carr, the mayor will pitch the first ball. Mr. Carr's participation has special significance as he pitched the first ball when Little League was started in Upland in 1950 at Memorial park.

Teams To Parade

Twelve Little League teams will open the day's program, gathering in Olivedale park at 12:00 noon, and marching from there to Warders Field. They are scheduled to march onto the field at 12:30 to open the 12:45 o'clock dedication program.

Upland post, The American Legion, will be in charge of the flag raising ceremony, having contributed the flag pole for the field.

Master of Ceremonies will be Harvey Shirk, Upland city recreation director, who will introduce Mayor Carr, a representative of the City of Ontario, which city owns the park; the presidents of the Little leagues, Dr. Kenneth Wilcox, Max Hawkins and Emilio Valadez; Pony League President Wm. R. Thomas and other distinguished guests.

Three Double Headers

Little league double headers will follow the brief ceremonies, with the three city parks in use. The first game in each park is slated for 1:30 p.m.

Scheduled for 5 p.m. in Memorial park is the Pony league season opener.

RAINFALL LESS THAN 1955-56

With 1.68 inches of rain in the Upland area during May, as of Tuesday noon, the season total, with only one month remaining in the 12-month season, is 14.65 inches.

This is 2.52 inches less than on the same date a year ago, when 17.17 inches of rain had fallen on the community. This was also the 1955-56 season total, as no more rain fell after May.

Woman 97, Upland's Sr. Citizen?

Mrs. W. P. Anderson, 620 E. Arrow Hwy., a resident of Upland many years, will observe her 97th birthday anniversary July 12.

Thus, today, she holds first place in the listing of Upland's senior citizens. As of last week, H. E. Cassell, 781 N. Third Ave. held top spot with his age at 95 years.

The Upland News is compiling a list of "senior citizens" and reports are given from week to week. An effort is being made to obtain the names of all local residents who are 90 years of age and older. Full cooperation of friends and neighbors of the senior citizens is sought. Names, addresses and birthday anniversaries are being compiled.

Mrs. Anderson is known to many other senior citizens and others in the community.

"THE NEWS" ONE DAY EARLY DUE TO HOLIDAY

Published one day earlier this week due to the Memorial day holiday, The Upland News is being delivered on Wednesday by mailmen throughout the Uplandfoothill area.

Thursday will be observed as a holiday by most business firms as well as the Upland post office.

The Upland News office will be closed for business on Wednesday as well as Thursday.

Dateline of today's paper is Thursday, May 30, in keeping with postal regulations. All news stories are written, however, with the time element for reading on Wednesday.

Song, Yell Leaders For UHS

Song and yell leaders were elected for 1957-58 at Upland High school in a recent campus election. The groups selected will be in uniform next semester for the sports events and other campus activities.

The four-girl song leader team selected is made up of Janean Boyer, Christy Hartshorn, Deanne Miller, and Peggy O'Neal.

Yell leaders will be Joyce Black, Gloria Durham, and Simon Chavez.

Monday Dinner Speaker

Aaron H. Fahringer, Western director of Boys' Club of America, will be the principal speaker Monday evening, when the promotional dinner for Boys' Club of Upland will take place in Upland Woman's club house at 7 p.m. Reservations for the dinner, with tickets at $2.25 per person, can be made by telephoning YUkon 2-7981.

Check For Tuberculosis

Mobile X-Ray Unit In Upland Four Days Of Next Week

Mobile X-ray unit of San Bernardino County Tuberculosis and Health Assn. will be in Upland next week.

The schedule is as follows: Monday and Tuesday, June 3-4 — Second Ave. and Ninth St.; hours of operation are from 11 a.m. to 2 p.m. and 3 to 6 p.m. Wednesday, June 5 — Los Olivos Housing; hours of operation 3 to 6 p.m. Thursday, June 6 — Walker's market; hours of operation 3 to 6 p.m. The arrangements for the program are being made by Miss Janet Johnson, public health nurse for this area.

It is hoped that all residents of Upland and vicinity will take advantage of this opportunity to receive a free chest X-ray at the Mobile X-ray Unit at one of the above mentioned locations. Be sure your chest is free from tuberculosis.

TRASH GARBAGE PICKUP

The regular city garbage pickpup will be made on Thursday. Usual Thursday trash pick-up will be on Friday this week, according to officials of the Upland street department.

Appeal For Red Cross Storm Funds

"If Uplanders will make up the deficiency in the local Red Cross quota, immediately, money can be sent by the Upland chapter to the victims of the floods and toronadoes throughout the nation," local Red Cross officials declared yesterday.

The Upland fund is $1,687 short of the quota.

"Unless the quota is met, the local chapter cannot send any money to the people who now are in desperate need of Red Corss help," said Mrs. Elizabeth Taylor, executive secretary of the local chapter.

The Red Cross is the agency expected to be of service to the victims of catostrophies but without local support here and elsewhere funds are not available in time of need, it is pointed out.

An urgent appeal from local people to contribute immediately to the emergency fund was issued yesterday. Checks should be sent now so money can be rushed to the people who are suffering as the result of the storms.

During the recent annual Red Cross financial solicitation, the quota of $14,387 was not reached. A portion of the quota was to go to the national chapter. With not enough money having been received, however, it is impossible for the local chapter to pay its share to the national headquarters.

Mrs. Katherine Thomson, 1373 N. First Ave. and Mrs. Jeannette Miller, 877 Sharon Way, are attending classes in the Huntington-Sheraton hotel, Pasadena, preparatory to becoming assistant Welcome Wagon hostesses in Upland. The classes will continue through June 7.

Parkway Pepper Trees Dying

Are all the pepper trees of Upland's world-famous boulevard, Euclid Avenue, doomed as is this tree? This is the question in the minds of many people as city officials report the dreaded oak root fungus is attacking and killing the parkway trees. Pictured being uprooted, and hauled away is a once-sturdy pepper just south of the Ninth St. intersection with Euclid Ave. It is one of the trees in that immediate locale killed by the fungus. Shown attaching chains for the final uprooting by truck power, after the heavy limbs had been removed by power saw and loaded on a city truck, are from left: John Gunter, Joe Flores, Guy Sandridge and Cecil Collins, city employes. —Upland News Staff Photo

Police Chief Candidates Interviewed

Two candidates for the position of Upland police chief were interviewed by Upland city councilmen in a special meeting Tuesday night.

The men are reported to be near the top in the list of recommended candidates from the state personnel board.

After the interviews, the councilmen were to decide on their future action in making a final decision. Delay has been experienced by the councilmen in engaging a new police chief due to the local salary schedule as compared with pay in larger cities.

In the meantime, Lt. John Wessely is serving as acting chief.

1957 Building Drops Below 1956 Total

Number of new houses built in Upland during the first five months of 1957 is today slightly behind the 1956 total, as of Tuesday's compilation in the office of Building Inspector Richard Derby.

Valuation of all construction since Jan. 1 is $2,515,295, which is below the 1956 tabulation.

One hundred and twenty-nine new houses have been started here since Jan. 1 and during five months of 1956, 164 structures had been started, according to the records. Average cost of each house is more than $14,000.

May's building total is $287,810 and of this amount, $263,900 is for new dwellings.

Permits issued recently for new dwellings and locations follow: Frances Barks, 1056 E. Arrow Hwy.; Paul Hershey, 562 W. 18th St. and E. McCue and Allan Fuches, four unit apartment on Alpine St.

Other permits were issued to Barnard French, 1024 Highland Ct., patio; Howard Andersen, 896 N. Third Ave., addition; C. L. Rakestraw, 809 Highland Ct., roof, and Henry Ludwick, 791 Ninth Ave., alterations.

Elections Due For UHS Class Slates

Class elections will take place at Upland high school Friday for officers of 1957-8. The first senior officers who will lead the school next year will be chosen. Sophomore and junior officers will also be chosen.

Senior officers will be selected from the following list of candidates: President, Ken Calhoun, Mike Hanamura, Bill Ricci, Lloyd Thomas and Mike Zwettler; Vice President, Carol Murray, Kathie Redigonda, Paul Stebritz and Kirby Garrett; Secretary, Janice Jong; Treasurer, Linda Baker and Madeline Patane.

Junior class officer candidates: President, Tom Cleland and Eddie Collins; Vice president, Frank Batchelor, Tom Dee, Kirby Garrett, Gail Hickcox and Ron Weitzel; Secretary, Willie Cornell, Janet Ford, Kay Gannon and Mary Harris; Treasurer, Carole Berkoff, Phil Gardner, Harleen Matheson and Kathy McNay.

Sophomore candidates: President, Jon Kay; Vice president, Linda Davis, Ann Engle, Steve Fleming and Gregory Reisner; Secretary, Suzanne Frost, Jean Ann Kilmurray and Kathy Newlee; Treasurer, Beverly Behm, Jaimie Clark and Molly O'Brien.

Commander-Elect Of Legion

To be installed as commander of Upland post, The American Legion, at an installation dance and buffet dinner June 1 is Joseph D. Gheller, 1403 N. First Ave., who will succeed Stanley Traver in the position. An Upland resident for the past two years, Mr. Gheller has been an Ontario area resident since 1929 and is a well-known area carpenter. His family consists of his wife, Erma, and her two children, Dortha and Ronald, both in their twenties. A Legionnaire since 1948, Mr. Gheller has served the Upland post this year as sergeant-at-arms. —Upland News Staff Photo

Station, Restaurant Get Initial Approval

Two new businesses, a service station and a restaurant, with a total construction cost to exceed $80,000, are scheduled for the southwest corner of Mountain Ave. and Seventh St. by Robert Sherwood, owner.

Upland city council is yet to act on a change in zone from R-C to C-4 for 4.66 acres of property, but the city planning commission Thursday night recommended the rezoning be allowed.

Mr. Sherwood reports that General Petroleum will definitely lease the service station, and that a local man is the most likely prospect for operating the family-type restaurant. He added, however, that other restaurant interests were negotiating for the proposed new facility.

If council action approves the rezoning, Mr. Sherwood expects to start construction of the two business units, and a large parking lot to serve the restaurant, as soon as the state begins work on the two new San Bernardino freeway ramps adjacent to the site.

With the proposed county government buildings to serve this area scheduled for construction at Mountain Ave. and Sixth St., Ontario, Mr. Sherwood said the proposed restaurant would hope to attract noontime patronage from the county offices.

The service station would be located on the corner property, with the parking lot and restaurant to the west on Seventh St.

Scholarship Award For Uplander

NANCY SYMONDS

Recognition for high stnadards of scholarship, leadership, personality and character was accorded Mrs. Nancy Hennessey Symonds in the recent award program of LaVerne college.

Mrs. Symonds, daughter of Mr. and Mrs. C. G. Hennessey, 355 Van Ness Ave., Upland, and a former Upland News staff member, is the 1957 recipient of the Kevork A. Sarasian scholarship award at LaVerne college.

One of six awards made Thursday at the annual awards program on the campus, the award provides a tuition scholarship for the winner's senior year of study. It is awarded to the outstanding junior student majoring in education.

Mrs. Symonds compiled an enviable record of achievements at Chaffey High school and college prior to enrolling at LaVerne college.

$127,866 Total Upland College Funds To Date

Steady progress in the campaign for Upland college campus development funds was reported yesterday with $127,866.95 as the current total.

A "report meeting" of all active campaign leaders will be held in Red Hill Country clubhouse Friday noon.

Memorial Day Services At Cemetery

Memorial Day services Thursday morning, beginning at 10 o'clock, will be held in the Veterans' plot of Bellevue cemetery, sponsored by the West End Veterans' Coordinating council. The speaker to pay tribute to the war dead is Maj. Robt. E. Love, well-known test pilot and former Uplander.

At 9:30 a.m. all veteran and patriotic organizations of the area will form on Mountain Ave. at "G" street, and at 9:45 will march into the cemetery under direction of Geo. Galliher.

Massed colors will be presented at 10 a.m., with the combined veterans' organizations acting as color guards.

Opening the program will be the pledge of allegiance, led by Wm. "Roy" Summers, followed by the invocation with the Rev. Paul B. Kennedy officiating. Ontario Youth Police band will play the national anthem.

General Logan's order will be given by Robt. Traver, and Francis E. Wilson will sing the Twenty-Third psalm prior to the main address by Maj. Love. A second solo, "The Lord's Prayer", will be sung by Sylvia Lynn.

Lincoln's Gettysburg address will be recited by Richard Rieder, after which the laying of wreaths for the unknown soldier will be accomplished by representatives of the auxiliaries to the veterans' organizations.

The traditional solo salute to the war dead "My Buddy", will be rendered by Gene Collins. The Rev. Fr. Juan Saldana will give the closing prayer, and the Veterans of Foreign Wars, Post 2085, will fire the salute to the dead.

Taps by American Legion Post 112 will close the service.

Chest Board Re-Elects

Officers of Upland Community Chest for 1957-58 are Dr. Kenneth R. Wilcox, president; Clarke Boesen, treasurer, and Mrs. George Cassell, secretary, all by reelection. Charles N. Walker declined to accept reelection as vice president.

It was voted that a call for 1957-58 budgets from all Chest agencies be made, returnabled by June 15. It was announced that the annual fund campaign will be open on Oct. 15.

Executive board members present for the recent meeting, at which the election was held, were the Mmes. Leslie Hoag, Elwin Alder, Anthony Keyes, Cassell, Ernest Keechler, Earl Johnson, and Mrs. Correll; Dr. M. C. Barnes, the Messrs. Silas C. Harvey, John B. Atwood, Clarke Boesen, and Dr. Wilcox.

15,000 Sq. Ft. Lots Sought

Minimum residential lot sizes of 15,000 square feet for all the San Antonio Heights area west of Mountain Ave. is the objective of a petition being circulated today. On file before the San Bernardino county planning commission is a proposal for much smaller lots for the residential development. A public hearing on this proposal was held Friday. Due to the expressed opposition from many residents north of the Upland city limits, decision on the proposal was delayed until June 13.

In the meantime, petitions are being circulated to obtain support for the proposal that any future residential development must be on lots with a minimum frontage of 90 feet and with a total of 15,000 square feet.

300 Parents, Students At Freshman Orientation

More than 300 parents and students attended the orientation program presented by the counselling department of Upland High school and for incoming freshmen, at a special PTA meeting in the High school library, Monday evening.

Mrs. Bruce Claflin, PTA president, A. McLeish, principal, and Arthur Buchanan, student body president, extended a welcome to the group and Mrs. L. B. Van Ornam, program chairman, then introduced Thos. Glasheen, Assistant principal, who with the counselling department presented the orientation program.

Vance Beckwith, explained regulations concerning tardiness, excused and unexcused absences, closed campus, and the part counsellors and the student council play in discipline.

Mrs. Ruby Wignall presented an explanation of the various tests given students, including the Iowa test, college requirements, vocational English and personality, which help determine the student's special ability and aid in solving personal problems.

Mrs. Ruth Johnston briefly outlined activities and sports for girls, uniforms for girls athletics, proper clothing, hygiene and appearance on campus.

Robt. Erickson presented the activity program for boys which includes various sports, chartered clubs, music, mixed chorus, band and orchestra. He also discussed the leadership plan in which student council and inter-club council play a large part.

Mr. McLeish told of the importance of the inexpensive insurance available to all students, since the school is not responsible for injuries sustained by students at the school. He also explained that no football uniforms are available to boys without this insurance.

Mrs. Van Ornam expressed appreciation for the splendid attendance and interest.

Fantasy Cruise To Hawaii Setting For Lawyers' Wives

Mrs. Leland S. Davidson, 2430 San Antonio Crescent W., entertained Lawyers' Wives of San Bernardino County at the annual luncheon recently. The affair took the form of a fantasy cruise to Hawaii and each guest on arrival was presented with a corsage flown from the Islands. Receiving guests with Mrs. Davidson was Mrs. Lynn Kloepfer, president. Both were in Hawaiian costume as were assisting hostesses, who were all from the west end of the county.

Sixty guests were served an exotic luncheon in the lanai, living room and porch, when a fashion show featured bathing suits, play clothes, casuals, patio and cocktail dresses.

Models were Mmes. Geo. Vinnedge, Robt. Beloud, Geo. Whitney, John Tomlinson, Stanford Shaw, Kloepfer and Davidson. Luncheon tables were centered with glass goblets in which goldfish swam through tropical greenery. The various rooms were decked with bird of paradise, cymbidium, gardenias and tropical foliage.

Uplanders present not previously mentioned included, Mmes. Robt. Bowman, Henry Busch, D. Larry Thorne and Donald Maroney.

LEAGUE LUNCHEON

Mrs. Leslie Boyd is being installed as president of the Assistance League of Upland at a luncheon meeting in the Stuft Shirt today (Wednesday). The annual affair is also the final meeting of the season. Mrs. Wayne Cameron is the retiring president.

Mrs. E. J. France Is Heart Of Group Organized To Help Themselves, Others In Need

Wives of former migrant workers who have lived or still live in the Southern California Farmers Assn. camp on Arrow Hwy. in Cucamonga form the nucleus of the all-day Ruth Zercher Sewing circle which meets weekly in a member's home.

Every Thursday guests arrive at the appointed meeting place, set up quilting forms and soon are busy working away on a piece work quilt for a member or perhaps for another family in need, and sometimes for missions or emergency situations.

As the guests arrive, some others may leave early, but most of the day the quilting continues, except for the traditional times alloted for the noontime potluck dinner and for devotions.

Charter Members

This lively routine is not new, for it was established eight years ago and a number of the members have been with the group the entire eight years. At the heart of the organization can be found an Upland woman who has found inspiration in helping others. She is Mrs. E. J. France, 709 N. Third Ave., who serves as coordinator and quilting director. Mrs. France is also responsible for organizing the group.

She is assisted by Mrs. Amos H. Buckwalter, another Uplander of 953 W. Arrow Hwy., who has been with the group as devotional chairman for a year. Mrs. Minnie Asper of 637 N. Second Ave., has been meeting with the group for three years, but for five years previous she was cutting quilt patches for the group at home. Of her devotions, Mrs. Buckwalter says, "Most of the women and their children don't go to church so my devotions are sometimes quite a sermon."

Mrs. Head President

Eight or twelve women, and their children, is the average number at the weekly meetings, but the membership is much larger. Mrs. Chas. L. Head of the Assn. camp is president of the group and an eight-year member. Others present Thursday who have been members since the group was organized are Mmes. Syble Felix, Lou Reid and Bessie Bowman. Mrs. Bowman has the reputation of being the group's prize baker and normally provides the cake for the potluck dinners.

Honor Nurse

Clothing and patches for the group are provided by area churches and the Monte Vista Thimble club. Through this group, and other contacts, Mrs. France annually distributes 3,000 articles of used clothing.

Name for the sewing circle was chosen to honor Miss Ruth Zercher of Upland, a nurse who helped with the group during its early years of organization. Miss Zercher left the group when she went to the New Mexico Navajo mission of the Brethren in Christ church. Again living in Upland, she does special nursing.

Members of Circle

Members of the sewing circle, in addition to those previously mentioned, are he following: Mmes. Betty Ferrill, Mildred Cooper, Mary Jones, Betty Jones, Shirley Jones, Mary Watson, Shirley Watson, Edna Bailey, Jessie Flynn, Louise Bailey, Agnes O'Dell, Bernice Webb, Betty Morgan, Wanda Smith, Wanda French, Helen Newsom, Delia Schulz, Josie Blackman, Lorraine Wilhelam, Joyce Blackman, Betty Allison and Mrs. Dorothy O'Neil, and the Misses Sue Lenore Webb and Jackie O'Neil.

More than a billion and a half dollars was spent on foreign travel by Americans in 1955.

YOUTH WORKER DAR SPEAKER

San Antonio chapter DAR met Monday, in the home of Mrs. G. P. Weldon, 423 E. Rosewood Ct., when Mrs. H. G. Glunt, regent, presided at a business session.

Lt. Roger Sagouspe of the Ontario police force gave a talk on the recently organized boys' band. The group ranges in age from 11 to 17 years of age. He told the gathering uniforms are needed for the group which is comprised of youths from the west end area.

Also explained was the Junior Citizen's camp for boys and girls where there are counsellors to help the campers who are recruited from homes where there is a lack of affection and understanding between children and their parents.

Children going to the camp are in the 11 to 13 age group. The chapter presented the officer with a check for one child's expenses at the camp for a two week period.

Assisting as hostesses were Mmes. W. T. Garner, W. A. Marten, Jos. Visnak, Frank O'Lausen and H. L. Zebold.

Members present not previously mentioned were Mmes. C. A. Mayo, M. L. Gottfried, W. B. Harvey, F. R. Barrett, Paul Tacke, Robt. C. Patterson, Peter A. Logan, Guy F. Underwood, F. L. Allen, F W. Wikoff, W. F. King, T. M. Lee, M. L. Bonillas, Bruce Grube, C. W. Hooker, Anthony Barone, Frederick Reichardt, C. M. Smalley, Ray Joy, and Misses Willamene Harnly, Elsie Hamilton and Anna Hamilton.

Court Events Announced

Mrs. Douglas Harp, grand regent, Court of Our Lady of Fatima, announces the following events:

Election for lecturer and rehearsal for installation, May 31, 7:30 p.m. in Upland Woman's club house.

June 2, all juniors and seniors of the court are to attend Holy Mass, 8 a.m., St. George's church. June 3, 7:30 p.m. a business meeting will be held. On June 9, 2:30 p.m. in Upland Woman's club house, installation of officers, June 9, 6 p.m. banquet for husbands and friends with reservations to be made with Mrs. Harp, phone No. 26-113.

WA Groups Study UN

Study groups of the Women's Assn. of First Presbyterian church met last week.

Groups two and four, met in joint session with Miss Rosamond Norman presiding. Hostesses were Mrs. Carol Nelson and Mrs. H. G. Glunt with Mrs. Bert Jackson and Mrs. I. E. Staples as co-hostesses.

Mrs. W. W. Woodward directed the program and Mrs. Jack McCarter led the devotions.

An inspirational section of the program was Mrs. Bruce Claflin's review of the book "Love or Perish", by Smiley Blanton.

Miss Norman announced that Miss Sheryl Flum will speak to the WA June 6, on her past year at a university in India.

Mrs. Jack McCarter presided at the tea table during the brief social period.

Mrs. John Gange, 714 N. Palm Ave., entertained Group three with Mrs. Merrill Moreman and Mrs. H. A. Hixson as co-hostesses. In the absence of Mrs. Nyle H. Stiles, chairman, Mrs. Carroll Kissick co-chairman, presided.

Mrs. Geo. S. B. Ferguson led a program on the United Nations. Her subject dealt with the final phase in a series of UN programs which had been considered by all W.A. groups.

A closing feature of the program was the informal social session which followed when Mrs. Hixson presided at the tea table.

Substituted for the usual meeting by Group one was the supervision of dinner at the May 2 meeting.

Style Show Delights Kiwanians

A showing of spring fashions for the ladies highlighted the Tuesday noon luncheon meeting of Upland Kiwanis club in the Stuft Shirt restaurant.

Moderator for the parade of fashions was Kenneth Litchfield, who chose an afternoon frock of voile in a tracery pattern, complemented by a smart summer straw in pink and white knitted stole.

Delighting a capacity crowd as they appeared in spring costumes were three comely models, tall and willowy George Brannon, petite and modish Joe Kamansky, and matronly stylish Calvin Shores.

Prior to the parade of fashions, this same group auctioned off a rainbow trout (somewhat frozen) after Messrs. Brannon and Kamansky conducted a fishing contest in the indoor pools of the restaurant.

All phases of the program were designed to alert the Kiwanians to the rummage sale and auction of the club to be staged June 8.

Guest Groups At Installation

WSCS of Cucamonga Community church held an installation ceremony recently when guest groups were from Ontario and Upland. Mrs. Paul Wise, district officer of Upland, was the installing officer.

Taking office were Mrs. Don Blair, president; Mrs. Henry Stockton, vice president; Mrs. Don Schmidt, secretary; Mrs. Ray R. Ford, treasurer; Mrs. Eugene Billings, promotion; Mrs. Chas. Monroe, missionary education; Mrs. Guy Wheatley, Christian social relations; Mrs. Lewis Gilbert, student work; Mrs. Chas. West, youth work; Mrs. Lloyd Michaels, literature and publications; Mrs. Frank Freeman, supply, and Mrs. Glenn Angel, status of women.

Each officer was presented with a beautiful corsage made by Mrs. Mary Whitney.

Presiding at the tea tables were Mrs. Mae Wadsworth and Mrs. Michaels.

Highland Wives Install Mrs. R. Erickson Prexy

Highland Wives held their final meeting of the year recently when their husbands were guests in RoVal's at dinner.

Taking office in installation ceremonies were Mrs. Robt. Erickson, president; Mrs. Thomas Maxfield, vice president; Mrs. John Robison, secretary, and Mrs. Jerry Kehr, treasurer. Retiring officers also present are Mrs. Harvey Shirk, president, Mrs. Erickson, vice president, Mrs. Joe Jennings, secretary, and Mrs. Wallace Randleman, treasurer.

Chairman of various committees, announced by Mrs. Erickson, are Mrs. Randleman, constitution; Mrs. Harley Lovitt, courtesy; Mrs. Paul White, handbook; Mrs. Gus Rischer, historian; Mrs. Alexander McLeish, membership; Mrs. Dale Stevens and Mrs. Sam Rice, newsletter; Mrs. Alan Bescoby, publicity; Mrs. Joe Jennings, telephone and Mrs. Donald Jackson, welfare.

Plans for next year which were announced include a couple's picnic in September; the annual Highland Fling on Nov. 9; a Christmas party for children. In January there will be group meetings in members' homes for the purpose of getting better acquainted and in May husbands and wives will have a party.

Mrs. Shirk was presented with a scrap book and a planter from the group. Dancing followed adjournment of the meeting.

Churchwomen Slate Clinic

Mrs. Otis Cooper, president of United Church Women of Ontario communities, has announced a meeting for local church women, on June 7th, in First Christian church, Ontario, when a leadership clinic is scheduled for 10:00 A.M. Guests will be the members of Pomona council of United Church Women. Special guest will be United Church Women's state president, Mrs. Glenn T. Welin, and other state officers.

Luncheon at the close of the meeting is at 12:00 P.M. and reservations for this may be made by calling Mrs. Chester Fisk, 618-295.

A short board meeting will follow the luncheon.

Upland Misses Receive Degrees At Santa Barbara Both Teachers

Jacqueline Tellier

Ann Mitchell

Miss Jacqueline Frances Tellier, 385 E. Foothill Blvd. and Miss Ann Mitchell, 2335 Park Blvd., are among 400 seniors on whom bachelor of arts degree will be conferred at commencement exercises, Saturday morning by the University of California, Santa Barbara college. Both young women majored in elementary education.

Miss Tellier, who is the daughter of Mrs. Edna Tellier, spent the weekend at home. She has been appointed by the Ontario school board to teach first grade in Kingsley school. She will head the arts and crafts program of Upland's summer recreation program, on which also she worked last year.

Miss Mitchell's parents are Mr. and Mrs. Ralph Mitchell. Mrs. Mitchell who is principal of Baldy View Elementary school, said this week that their daughter is returning home for three weeks after commencement. She plans to return to Santa Barbara to attend summer school and in the fall she will take up an appointment she has received in El Segundo where she will teach a sixth grade class.

GOP Women Hostesses

Chaffey Community Federation of Republican Women will be active in their annual role as hostesses for the May monthly meeting of the county federation, of which Mrs. Lovon Phillips of Upland is president.

Speaker for the event, a luncheon in the Stuft Shirt, Friday, 12:30 p.m., will be Mrs. Don Petty, Saticoy, who is the new Southern division president. Those wishing to attend should call Mrs. Walter Withrow, YU 2-5204 or Mrs. Thos. Sawyers, YU 6-7822.

Mrs. R. Thomas Card Hostess

Mrs. Richard Thomas, 8010 Vineyard, Cucamonga, entertained with a dessert card party in one of the series sponsored by the Upland chapter OES in members' homes. Mrs. Dorothy Edens was a co-hostess with her mother.

Present were Mmes. Blanche Loch, L. W. McKinley, Neal Henderson, Al Nelson, L. S. Collins, Anton Zenz, Francis McCall, Anthony Melo, Maude Kurtsinger, Quito Laubach, Earl Dunning, Lloyd Gilmore, Sam Lamb, Wm. Morrow, Frank Paul, Marie Stewart.

Prizes of African Violets went to Mmes. Zenz, Paul, Kurtzinger and Collins. Mrs. Thomas, who grows violets as a hobby, donated the prizes.

FLORAL ARTIST AT SORORITY

Flower arranging was demonstrated by Mrs. C. V. Svoboda at the recent meeting of the Rho Chi sorority of Beta Sigma Phi, in the home of Miss Mary Glain, Ontario recently. Many types of bowls and vases were used to stress the need for balance. The speaker pointed out that the use of half a lemon is best to clean out containers after use as it removes all flower stains.

Miss Marilyn Heitman, president, presided and plans were made for the final fathering Tuesday, which will include dinner and a show in Los Angeles. Members will meet at the home of Mrs. Harry Barbee for the outing.

Miss Heitman announced the first area council will be held June 5 as a kid's party in the General Electric club house, Ontario.

Committee appointments announced by Miss Heitman were: Miss Glain, program; Mrs. Robt. Sommer, social; Mrs. Bob Dosh, historian; Mrs. Henry Hester, ways and means; Mrs. Harry Brewer, publicity and parliamentarian, and Mrs. Ernest Henderson, service.

Refreshments were served by the hostess at the close of the meeting. Also attending were Mrs. Chas. Self, Miss Alta Giles and Miss Nancy Cardinale.

Newcomers Election

Welcome Wagon Newcomers club will meet Wednesday, 7:30 p.m., in the home of Mrs. Steve C. Hite, 428 W. Eighth St. when a slate of officers will be presented by the nominating committee. Members of the committee are Mmes. Kenneth Perry, chairman; Mmes. Edward A. Girard Jr., Geo. R. Bean, Harry R. McLaughlin and Jack R. Brokken.

Memorial For Late Membe Observed By Upland OES

Upland Chapter OES observed Memorial night Monday in the Masonic hall, with Mrs. Ted Crooke, worthy matron, and Stanley Bowman, worthy patron, presiding.

Past matrons and patrons escorted were Mmes Blanche Loch, Merle Kough, John Scott, Arthur Relph and Past Patron Max Russell of Upland chapter, Mrs. Stanley Bowman of Atwater chapter, Los Angeles, and Mrs. Ethel Shacklett of Tribune, Kansas. Past matrons introduced from their stations were Mmes. Maud Linsley, Chas. Deverts and Harry Null.

A memorial service was held for departed members of Upland chapter.

During good of the order, short talks were given by Mrs. Crooke and Mr. Bowman. Mrs. Crooke reminded members of the reception to be held for Mrs. Jack Shrum, deputy, on June 15, 8 p.m. in Upland Elementary school. Initiation will take place on June 10 and guest night will be observed on June 24.

Announced as high scores for the recent card party series in member's homes were Mrs. Stanley Bowman, canasta; Mrs. Chas. Benninghoff, bridge, and Mrs. Helen Hill, pinochle.

Mrs. Don James of Hamilton, Ill., was introduced from the sidelines.

The chapter room was decorated with a beautiful bouquet of pale pink stock and asters with a lighted stained glass window as a background. The refreshment table in the dining room held a large mixed bouquet of spring flowers, with glittering butterflies interspersed. Mmes Tom Howarton, Earl Marsh and Loch were in charge of decorations and refreshments.

Cyclist Rides Into Cable, Killed

Death came unexpected Sunday to an Ontario motorcyclist, John O. Kays, 37, when he rode into a cable stretched across a private road east of Campus Ave. and north of 16th St.

The victim was apparently riding his motorcycle south on the road at dusk and failed to see the cable. Discovery of the body resulted from a pre-dawn search by members of Kay's motorcycle club, who were alerted at 11 p.m. Saturday by Mrs. Kays, when her husband failed to return home.

Mrs. Kays told Sgt. Waldo Owen of Upland Police department, who investigated, that her husband left his home at 760 Plaza Serena, Ontario, about 6:30 p.m. Saturday to ride his motorcycle on foothill trails and dirt roads. At 11 p.m. she called Wayne Thompson of Pomona to notify him of her husband's extended absence and he in turn organized the search.

Honored

The funeral was held Tuesday, 2:30 p.m., in Stone Funeral Home the Rev. Dr. James Latimer officiated and there were Masonic Lodge services and committal rites.

Receive Placques for Support Of School

Placques signifying their achievement in supporting Upland college were recently awarded to, from left, Lanny Farley, chairman of the Upland academy student body; Harold Engle, chairman of the college student body, and Miss Ethel Climenhaga, co-chairman of the college faculty and staff group. The three groups have far exceeded the pledge goals toward the college building fund.

Students, Faculty Top Goals

At the start of the current expansion program at Upland college, students of the college and high school joined together and pledged a goal of $10,000, payable over a three year period. In addition, faculty and staff members pledged a goal of $18,000.

This week, the college student group passed their goal by 173 per cent, while the high school student group has pledged 150 per cent of their original goal. Both groups earn money pledged by working after school and doing part-time jobs. The faculty and staff have exceeded their goal by 114 per cent.

At a recent informal ceremony, Lanny Farley, chairman of the high school student body, Harold Engle, chairman of the college student body, and Miss Ethel Climenhaga, co-chairman of the college faculty and staff group, received plaques signifying their achievement in supporting their school so generously.

Mail Carriers Urge Support Of Proposed Pay Increases

An appeal for local people to write their Washington, D.C. representatives relative to pay-increases was issued this week by local mail carriers. An "Open Letter" to people of Upland came from the carriers who seek "adequate pay scales to meet today's living costs".

Following is the open letter:

"Balance the budget! That's the cry and it's a good idea. However, let's not balance the budget at the expense of your loyal postal worker. Why not help your local carrier balance his budget by giving him a living wage?

"The Heller committee at the University of California shows that you need $5,798 a year if you are buying your own home and $5,600 a year if you're renting a home. You and I both know that these figures are conservative.

"May we point out that it takes your letter carrier 25 years to reach his top salary, which is then only $4,710 a year before taxes. This is $1,000 a year less thatn what the Heller committee found.

"There are now two bills before Congress to put postal salaries on a comparative basis with private industry. Only you, our patrons, can effectively obtain for us an adequate adjustment, rather than a partial adjustment such as we have had in the past."

Names of the U. S. Senators are Wm. F. Knowland and Thomas H. Kuchel, whose address is Senate office building, Washington, D. C. Congressman Harry R. Sheppard may be reached at the House office building. The U. S. senate postal increase bill is S-27 and the congressional bill is HR-2474.

All persons wishing to express their views on the pay increase are being urged by the local mailmen to contact these representatives.

Stellar Jayhi Team In "All Win" Season

Upland junior high school varsity baseball team closed its season with a 3 to 2 victory over Azusa junior high school, 3 - 2, Monday, and thus completed a perfect season. Five victories are in the record book for one of the finest teams ever playing for the local school. Ray Klooz is the coach.

Playing on the Upland nine were Joey Valadez, pitcher; Darrell Echols, catcher; Ronnie Dunn, first base; Marcy Guzman, shortstop; Winston Villocino, third base; Robt. Olmos, left field; Lui Horstmeyer, second base; Mike Pugh, second base, and Tom Chalberg, right field.

Midget Race Here Sunday

Upland Quarter Racing Assn. will hold a race meeting Sunday, 2 p.m., in Upland Memorial park with qualifying time at 1:30 p.m.

Interest centers around the perpetual A class trophy on which at least one young man has set his sites. It's the ambition of Joey Holmes to get his name on the trophy as a starter. It is given "for keeps" after three wins in this class. Bobby Olivero already has his name on the trophy twice. Richard Shoji and Dean Lowe are one time winners.

BASEBALL ASSN. DIRECTORS LAUDED

As the 1957 baseball season for Upland Little League and Pony league teams gets underway Thursday, the board of directors of Upland Youth Baseball Assn. should be recognized for its untiring efforts in making possible an enlarged program.

Commissioner Garwood Warders heads the board, with Charles Lowe as secretary-treasurer.

The officers of the four leagues also serve on the board. These include the following: National League, Max Hawkins, president; Leslie A. Kalil, secretary-treasurer; American league, Emilio Valadez, president; A. P. MacNair, secretary-treasurer;

Foothill league, Dr. Kenneth Wilcox, president; Mrs. Nadine Harmon, secretary-treasurer; Pony league, Wm. R. Thomas president; F. E. Piland, secretary-treasurer.

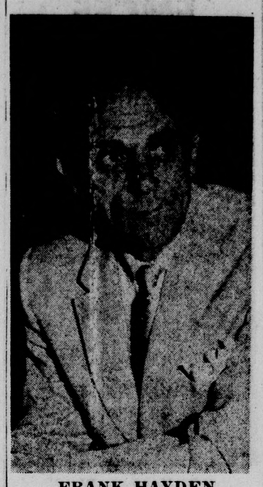

Representatives of organizations on the board are Marvin Dunn, American Legion representative; Dr. Wilcox, Kiwanis representative, and Francis E. Wilson, Lions club representative.

Mixed Foursomes At Red Hill

Monthly mixed foursome play at Red Hill Country club took place Sunday, with Mr. and Mrs. Andy Johnson and Mr. and Mrs. Howard Miller in first place with a 288 score.

Second place was taken with a 296 by Mr. and Mrs. Mitch Thompson, and Mr. and Mrs. A. O. Allen. Third place went to Mr. and Mrs. Norman Springer, hosts for the day, and Mr. and Mrs. Clarence Perrin, with a 299.

Possible Jobs Available In Aviation

FRANK HAYDEN

Frank Hayden of Upland, vice president of Southern California Aircraft Corp; said today that one safeguard of America's defense is a dynamic aviation program.

Mr. Hayden urged young men and women with experience in aviation and electronics to inquire at the company's personnel office, Ontario International airport, for a list of available positions.

Southern California Aircraft Corp. is one of the companies chosen by the Air Force to inspect and repair its vaunted jet planes.

Tour Of Upland College Monday Activity

A "Come See" tour of the Upland college campus is scheduled for Monday.

A guided tour of the campus will be made from 12 to 1:30 o'clock to inform all interested persons of the present facilities, of campus life and of the possibilities for future development. Reservations for the tour are to be made by telephone 2-4696.

This tour is in connection with the current fund-raising campaign.

We are putting forth this idea to stimulate thought on our beloved Euclid Avenue, with its historic importance and nostalgic memories interwoven with the lives of so many local people. If you have ideas on the subject, let us know by a "letter to the editor" and let the city councilmen know, so they will have the benefit of local opinions as they decide the future of the Euclid park way.

DELAY OPENING OF FOOTHILLS SWIM CLUB

Opening of Foothills Swim club, originally scheduled for this weekend, has been delayed and is now tentatively scheduled for Saturday, June 8.

This was the announcement yesterday from Robt. Erickson, director of the new swim club and school, who said water is now in the pool and all that remains to be completed are inspections and some minor details.

Replacement of a drain pipe which contained a stoppage caused the delay in the pool's completion and opening, Mr. Erickson said.

Cucamonga Polio Vaccination Is Set for Next Tuesday

The community-wide polio vaccination program for residents of San Bernardino county focuses on the Cucamonga area Tuesday. According to Dr. Merle E. Cosand, county health officer, limited amounts of state-purchased Salk vaccine will permite the resumption of the public program beamed specifically at the high risk young adult group and those in low-income and large-family groups.

The clinic for the Cucamonga area will be held at Cucamonga school, 8963 Archibald Ave. June 4. Hours are 4 — 6 P.M. Local volunteer physicians will staff the clinic.

Everyone in the unvaccinated age group 6 months to 40 years of age is urged to go to his private family doctor or attend the public clinics as soon as possible and secure polio injections in time to complete at least two shots prior to the end of July, the normal polio peak season.

Dr. Cosand re-emphasized the need for adults, especially the young adult parents, to seek protection from polio by pointing out the fact that of the five reported cases of polio in San Bernardino county with onsets since January 1, four occurred in people 26 years of age and over. The ages ranged from 26 to 35 years. eographically, the distribution of cases was wide, including San Bernardino (outside the city limits), Redlands, Upland, Fontana and Highland.

Legion Junior Baseball Nine Wins Opener

Upland Post 72 hosted the San Gabriel American Legion Junior baseball team at Upland High school Tuesday afternoon, but not before deadline time for The Upland News.

However, the Upland Legion's team posted a 9-4 win over Fullerton in its season opener in Amerige park Sunday. Manager Ted Miller saw his team of Upland and Claremont prep athletes take nine runs on 11 hits and 11 walks to win the opener.

Andy Ledesma, stellar hurler and stickman for the 1957 Highlanders, led the winners with a pair of doubles. Two baggers were contributed by Catalino Alba, Ed McGready and George Davis.

Jim Putnam, Claremont's Tri-County league star, allowed Fullerton only two walks and no hits, while fanning six, as he hurled the first four innings. Another Claremont player, Calvin Kees, went the next three innings, giving up six walks and one hit, before relinquishing the mound to Jim Davis.

Q. What household servant still works for just pennies a day?

A. Electricity
"EVEN THOUGH prices and wages have steadily gone up and up," explains Reddy Kilowatt, "a kilowatt hour of electricity costs less today than 20 years ago." (Bigger bill? That's because you're using more and living better electrically.) Small wonder electricity is your biggest bargain in modern living.

Answers to Questions About Upland College

QUESTION: My husband and I are not members of any particular church. Could our son attend Upland College without joining the Brethren in Christ denomination?

ANSWER: Of course, your son would be welcome at Upland college. The college is open to any intellectually qualified individual of good character and high moral standards.

While the institution has been largely supported by the constituency of the Brethren in Christ Church, the college does not limit its student body to the youth of that church. Currently, there are 33 denominations represented in the student body, and there are several different denominations represented on the faculty and staff.

The college conducts its school affairs in a Christian setting. However, it is the policy of the administration to avoid sectarianism and narrowness in its academic program. In keeping with the American tradition of freedom of religion, to which this college wholeheartedly subscribes, young men and women attending Upland College are assured that their personal religious beliefs will always be respected.

It is an interesting fact that most private colleges in this country had their beginning under the sponsorship of a particular denominational group. For example, Redlands University was founded by members of the Baptist Church, the University of Southern California began with Methodist support, and Whittier College was started at the turn of the century by Quakers.

Upland College, founded by men of faith some 37 years ago, pledges itself to consistently maintain high standards in its academic program. In today's world of rapidly shifting values, students at Upland College learn under a sound influence of moral integrity and Christian association.

Regardless of religious affiliation, all students, who come to the campus honestly determined to learn and thus increase their usefulness to the community, can be assured of a warm welcome from faculty, staff, and student body. Friendliness to all is a tradition at Upland College.

Committee for Public Information, Hugh Abbott, Chairman.

Mrs. Carol Vogler Flying To Join Husband In Europe

MRS. CAROL VOGLER

PVT. RONALD H. VOGLER

An exciting month of June is in store for Carol Vogler, senior student at the University of Redlands, who will receive her degree and fly to Germany to join her husband, Pvt. Ronald H. Vogler, next month.

Pvt. Vogler entered the service last July 12, and after training at Ft. Ord was assigned to Hq. and Hq. Co. of the 85th Regiment, Bamberg, Germany, where he plays in the Regimental band.

A Sousaphone player, young Vogler recently spent a busy week appearing with the band as German-American Friendship week was observed in Germany. Before entering the service, the son of Mr. and Mrs. Herbert Vogler had taught for two years in the Ontario Elementary school system.

He was graduated from Redlands University, where his wife is now finishing her studies. She hopes to teach in an American dependent school in Germany, and will leave here by commercial airliner on June 18.

Commencement Honor For Miss Hunt

Miss Courtney Hunt of Upland has been chosen as the girl who best represents the Ideal of Honesty at Stephens college, Columbia, Mo. She was chosen on the basis of her courage in her own convictions, eagerness to acknowledge aid and achievement of others, and intolerance of dishonesty of any type.

To dramatize the importance of the Ideals as a Stephens tradition, each year one girl is chosen to represent each of the Ten Ideals, and the yearbook, STEPHENSOPHIA, devotes a special section to their photographs and those of the Four-Fold Girl and the Best Private Citizen. The Ten Ideals are appreciation of the beautiful, cheerfulness, courtesy, forcefulness, health, honesty, love of scholarship, self-discipline, service and reverence toward the spiritual.

Miss Hunt's selection was announced at the Senior Commencement dinner May 21. The daughter of Mr. and Mrs. Ralph A. Hunt of 1817 W. Ninth St., she received an Associate in Arts degree from Stephens on Tuesday.

PUBLIC INVITED TO SUNDAY MUSIC RECITAL

An invitation to the public has been extended by Upland music teachers, Mrs. C. S. Stowell, piano and clarinet, and Mrs. J. B. Swingle, violin, for the presentation of their students in a joint recital Sunday, June 2, at 2:30 p.m. in the Upland Woman's club house, 590 N. Second Ave.

At this time, certificates of merit, sponsored by the Music Teachers Assn. of California, will be presented to students.

Solos, duets, trios and instrumental ensemble selections will be performed.

ATTEND TV SHOW

Members of the Cucamonga-Alta Loma Womans club, headed by Mrs. Harold Woodrow and Mrs. Paul Miller, plan to attend the Truth or Consequences TV show in Hollywood, today, (Wednesday). The club expects to return from the event $100 richer and it is expected that 40 members will make the trip.

When Sergeant James Maquire joined the Naval aviation camp at Annapolis, Md., as a mechanic on Nov. 6, 1912, he became the first enlisted man in Marine Corps aviation.

En Route To Mexico City

Mrs. Marie Gavalya, personable and popular clerk in the Upland city hall water department office, is pictured as she finished her last day on the job she has held more than three years. With her five-year-old son, Ricky, Mrs. Gavalya departed early this week for Mexico City to be with her husband, Ric Gavalya, while he studies medicine at the University of Mexico. Mrs. Gavalya plans to study Spanish but otherwise devote herself to being a homemaker.

Miss Frances Smith Weds R. A. Huffman of Claremont

Miss Frances Ann Smith, daughter of Mrs. Fred L. Smith, 1790 W. Foothill Blvd. and Clark V. Smith of Modesto, became the bride of Robert A. Huffman, Claremont, in a recent ceremony in Webb chapel, Claremont, with the Rev. Jas. A. Shelton officiating in a double ring ceremony.

Mr. Huffman is the son of Mrs. Mary Lou Huffman, 724 11th St., Claremont, and S. A. Huffman of Silvery Bay, Minn.

Baskets of white flowers and candelabra were used as decorations for the simple ceremony, when Fred L. Smith gave his stepdaughter in marriage.

The bride wore a ballerina length gown of rose point lace over taffeta styled with a Sabrina neckline and long sleeves. Her bouquet was of stephanotis and white orchids.

Mrs. Barbara Shelton of San Jose, the matron of honor, wore a gown of aqua chiffon and white lace. She carried a pink and white nosegay.

S. A. Huffman Jr. of Mt. Baldy was the best man and ushers were Robt. Vogler and Allan Smith.

Mrs. Smith, mother of the bride, wore a rose lace sheath and a corsage of pink rosebuds. Mrs. Huffman, mother of the groom, chose a sheath of grey linen and a corsage of pink rosebuds.

Rolin Clakin of Pomona, soloist, sang "Because" and "The Lord's Prayer". Mrs. Esther Diggs of Pomona was organist.

A reception, which followed in the cloister, was attended by 175 guests.

Following a honeymoon in Palm Springs, the young couple will make their home at 1314 Council Ave., Ontario. She is employed as a medical secretary in Pomona and he is employed at Aerojet General in Azusa.

KAY GANNON NEW PREXY

Kay Gannon was elected president of the Tam O'Shanter Tri-Hi-Y club, at a recent meeting in Upland High school. The club formed this year has Mrs. Corinne Morrison as adviser.

Other officers are Jean Thayer, vice president; Lela Garrett, secretary; Rose Whittaker, treasurer; Harlen Matheson, chaplain, and Ellen Reading is the new parliamentarian. They replace former officers, Nancy Chalberg, Kathy McNay, Linda Moseley, Dee Dorsett and Diane Claflin.

Padua Play

Talented Casilda Amador plays title role in "Conchita," stage attraction at Padua Hills theatre featuring The Mexican Players. The play will run through June 22, Wednesday through Saturday with matinees Wednesdays and Saturdays at 2:30 p.m. A new telephone number for making reservations is LYcoming 6-1288.

CATHOLICS SET FIESTA PLANS

A combined meeting of the Altar and Rosary society, officers and guild captains, and the officers and guild captains of the Holy Name society of St. Joseph's Catholic church, was held in the parish hall recently.

The meeting called by the Rev. Michael Browne was for the purpose of discussing plans and making arrangements for a fiesta to be held in October.

Jos. Seitz, last year's chairman, gave a complete report of last year's fiesta. One of the features this year will be a pit barbecue dinner to be served on the Sunday during the three day affair.

Other food attractions will be pizzas, tacos and hot dogs.

The men's group acted as hosts during a refreshment hour.

Son Visits Mrs. Galentine

A Southland visitor from New York City is Wheaton Galentine, son of Mrs. Ada W. Galentine, 520 Laurel Ave. He is a freelance director of documentary and industrial films.

Mr. Galentine arrived by commercial airliner at Los Angeles International airport on Thursday evening of last week, and was met by his mother. The two spent two days visiting in Los Angeles with the visitor's sister, Mrs. Herbert W. Henry, and family.

Mrs. Galentine then returned to her Upland home while her son visited in San Diego with another sister, Mrs. Eugene E. Bean Jr. and family, coming to Upland Monday evening.

Thursday morning, Mr. Galentine will go to Colusa in the northern part of the state to visit with his brother Dexter Galentine, and family. From San Francisco he will enplane for New York this weekend. The trip marks his first visit with his family here in 2½ years.

The Navy's new super-carrier, USS Forrestal, required 2,400 miles of one-quarter inch welding, 265,000 pieces of steel, 200,000 rivets, about 180 miles of pipe, 290 miles of electric cable, 13,500 drawings 2,100 miles of blueprints.

When Lieutenant Alfred A. Cunningham received orders for duty involving "land flying" on June 1, 1916, he became the first Marine Corps aviator to be assigned this type of aviation training.

HOLLYWOOD PARADE FEATURING EDITH HEAD DESIGNS FOR STARS FROM CLARA BOW TO PRESENT FOR HEART CLINIC FALL BENEFIT

Theatrical Parade of Hollywood, with the famous Edith Head of Paramount studios as producer and narrator, will comprise the benefit fund raising event for the Mary Louise Griffith Rheumatic Heart clinic, Mrs. Jas. Beggs, chairman of the clinic, has announced.

The production, which will be staged instead of the originally planned fashion show, will feature a stellar attraction of professional models both male and female, wearing original costumes designed by Miss Head for such film stars as Clara Bow, down through the years to current notables. In addition, costumes designed for movies not yet released will be included.

Arrangements for the change of plans were made at a recent luncheon in the home of Mr. and Mrs. L. J. Barden, Guasti, when Miss Head and members of the heart clinic were present. Miss Head stressed that the event will be of equal interest to men and women.

The event will be held at the Barden estate in late September with the parade taking place in the beautiful setting of the patio and lawn.

Those attending the luncheon in addition to Miss Head were J. Howard Russ, and Dr. and Mrs. Geo. Griffith, Los Angeles; Mrs. Leslie Hoag, general chairman of the event; Mrs. Elmer Carlson, board treasurer, and Mrs. Harry Brewer, publicity. Mrs. Beggs, presided.

Mr. and Mrs. John Gwin, recent arrivals in Upland, are making their home at 471 N. 11th Ave. They lived in Ontario previously and came to this area from Abilene, Tex. She is on the office staff at Upland Motors and he is a mechanic employed in Fontana.

Sidney G. Moses, principal of Etiwanda School district, was one of those in charge of the conference arrangements.

Early Progress On Church Project

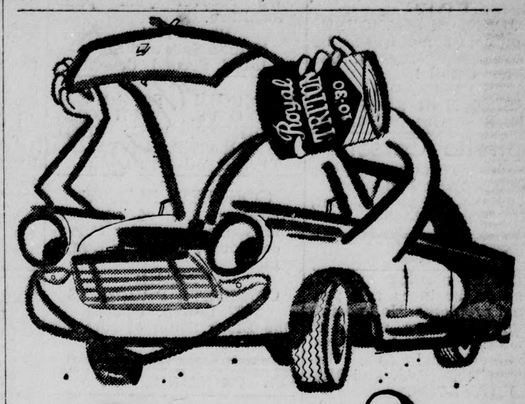

Early progress on the new First Presbyterian church of Upland can be noted in this recent photo of the construction site on the west side of Euclid Ave. between Eleventh St. and Foothill Blvd. At this point, only instal.ation of plumbing and electrical facilities remained before pouring of the footings could be started. Not pictured is San Antonio Canyon rock being hauled to the site for use in the new edifice.

LEGAL NOTICE

ORDINANCE NO. 529
AN ORDINANCE OF THE CITY OF UPLAND ADOPTING A BUILDING CODE FOR THE CITY OF UPLAND BY ADOPTING BY REFERENCE VOLUME 1 OF THE UNIFORM BUILDING CODE, 1955 EDITION.

WHEREAS, there has been filed in the office of the City Clerk of the City of Upland three copies of Volume I of the Uniform Building Code, 1955 Edition prepared by the Pacific Coast Building Official conference and copyrighted in 1955 by the said Pacific Coast Building Official conference and which has been printed as a code in book form.

NOW THEREFORE, the City Council of the City of Upland does ordain as follows:

SECTION 1. Volume I of the Uniform Building Code, including the Appendix thereof, 1955 Edition, as prepared by the Pacific Coast Building Officials Conference and copyrighted in 1955 by the Pacific Coast Building Official conference, except for and subject to the certain amendment or changes set forth in Section 2 hereof, is hereby adopted, including the Appendix thereof, by reference as the building Code of the City of Upland and reference is hereby made to the three (3) copies of said Building Code, now on file in the Clerk's office of the City.

SECTION 2. Volume I of the said Uniform Building Code, as aforesaid shall be and the same hereby is amended by the following amendments, additions, and deletions to the same:

Section 303.
PLAN CHECK FEES

Amend Section 303 (b) to read as follows:

When the valuation of the proposed construction exceeds one thousand dollars ($1,000.00) and a plan is required to be submitted by subsection (c) of Section 301, a plan checking fee shall be paid to the Building Official at the time of submitting plans and specifications for checking. Said plan-checking fee shall be equal to one-half of the building permit fee as set forth in Table No. 3-A.

Exceptions: 1. Where plans are submitted for checking on a Type V-(5) building of Group "I" Occupancy, which have previously been checked by this Building Department within the past six (6) months from date of presentation by the same applicant; and no changes whatsoever have been made to the plans and/or specifications. The plan checking fee shall be one quarter (¼) of the building permit fee.

2. The Building Official may, as per his determination, waive the plan check fee on plans submitted for checking for a small unimportant building, structure or other construction work which required neither a critical analysis nor any map plotting or unusual Departmental work load.

SECTION 303 (a)
BUILDING PERMIT FEES

Amend Table No. 3 (A) Building Permit Fees, to read as follows:

TABLE NO. 3-A
BUILDING PERMIT FEES

TOTAL VALUATION	FEE
Less than $20.00	No Fee
$20.00 to and including $100.00	1.00
More than $100.00, to and including $400.00	2.00
More than $400.00, to and including $700.00	4.00
More than $700.00, to and including $1,000.00	6.00
Each additional $1,000.00 or fraction, to and including $25,000.00	2.50
Each additional $1,000.00 or fraction, to and including $50,000.00	2.00
Each additional $1,000.00 or fraction, to and including $100,000.00	1.00
Each additional $1,000.00 or fraction, more than $100,000.00	5.00

Chapter 5.
TABLE NO. 5-B FOOTNOTE

Add the following to the footnote of Table No. 5-B, Chapter 5, to read as follows:

See amended Sections 1303, 1403, 1503 and 509 (b) and (c), for separation between garage and residential occupancys.

Section 509.
BREEZEWAYS

Add the following to Section 509:

Division (b) paragraphs 1 and 2.

Division (c) paragraphs 1, 2, 3, 4 and 5.

(b) 1. For the purpose of this section, a breezeway is the intervening space between two buildings, each being located on the same lot. The occupancy thereof being different to the extent that, whereby under the regulations of this Code a fire separation is required. Said space being covered by any form or design of roof construction, and remaining open on not less than two opposite ends.

(b) 2. Exceptions: Enclosure construction for architectural effect or purposes, may be placed in not more than half (½) of the open area on one (1) end.

(c) 1. When a breezeway, as defined in this section, exists between a residential and a garage occupancy, there shall be established with materials as approved for one hour fire resistive construction, a thorough and complete fire separation between the two occupancies as follows:

(c) 2. When the distance between the two (2) buildings is from zero (0) feet to and including six (6) feet, a thorough and complete fire separation from floor to roof sheathing on the interior side of the garage wall adjacent to the breezeway, including any openings therein.

(c) 3. When the distance between the two (2) buildings is over six (6) feet and no ceiling exists on the underside of the connecting roof structure, doors and other openings permitted with ordinary protection. However, the exterior side of all walls under the breezeway roof shall be protected with exterior plaster (stucco) from floor to the underside of the roof sheathing.

(c) 4. When the distance between the two (2) buildings is over six (6) feet and a ceiling does occur on the underside of the roof structure, doors and other openings permitted with ordinary protection. However, the exterior side of all walls from floor to ceiling under the breezeway roof, and the breezeway soffit or ceiling including supporting beams, shall be protected with exterior plaster (stucco). Self furring metal lath approved for exterior use secured with galvanized nails shall be used as plaster reinforcement on the breezeway ceiling and beams. In addition, that portion of the garage wall adjacent to and/or connecting with the breezeway roof structure, including the area between ceiling and roof shall be so protected on the interior or garage side with materials as approved for one (1) hour fire resistive construction, so as to establish a complete and thorough fire separation and seal off the concealed spaces.

(c) 5. Where other exterior finishes are used on the exterior walls under the breezeway roof for architectural purposes and thus prohibit the use of exterior plaster as previously set forth in this section, there shall then be established a thorough and complete fire separation as approved for one (1) hour on the interior side of the garage wall, including equal protection for openings regardless of the separation distances between the Residential unit and the garage.

Group "A" Occupancies
Section 605, Paragraph 4
LIGHT, VENTILATION AND SANITATION.

Add the following sentence to paragraph 4, Section 605:

The preceding requirements of paragraph No. 4 of this section do not nullify or abrogate the requirements applicable to Group "A" occupancies as set forth in the City Health Ordinance No. 380, where such requirements are more restrictive than those set forth in the text of this section.

Group "B"
Group "B" Occupancies
Section 705, Paragraph 1
LIGHT, VENTILATION AND SANITATION.

Add the following sentence to paragraph 1, Section 705:

The preceding requirements of paragraph 1 of this section do not nullify or abrogate the requirements applicable to Group "B" occupancies as set forth in the City Health Ordinance No. 380, where such requirements are more restrictive than those set forth in the text of this section.

Group "D" Occupancies
Section 905, Paragraph 2
LIGHT, VENTILATION AND SANITATION

Add the following sentence to paragraph 2, of Section 905:

See Upland City Health Ordinance No. 380, for additional requirements pertaining to light ventilation and sanitation for Group "D" occupancies.

Group "E" Occupancies
Section 1005, Paragraph 4
LIGHT, VENTILATION AND SANITATION.

Add the following sentence to paragraph 4, Section 1005.

The preceding requirements of this section do not nullify or abrogate the requirements applicable to Group "H" occupancies as set forth in the Upland City Health Ordinance No. 380, where such requirements are more restrictive than those set forth in this section.

Section 1403.
BREEZEWAY WALLS, ETC., BETWEEN AN "I" AND "J" OCCUPANCY

Amend Section 1403, to read as follows:

For fire-resistive protection of exterior walls and openings, as determined by location on property, see Section 504 and Part V. Also Section 509, Part III, when such walls and openings are relevant to or in conjunction with an "I" and "J" occupancy.

Section 1405.
CEILING HEIGHTS

Add to Section 1405, paragraph (b), the following sentence:

The requirements as set forth by the Health & Safety Code, State of California regarding ceiling heights, are mandatory and supercedes those set forth by this code. (See State Housing Act, a part of the Health and Safety Code.)

Section 1405.
BATHROOM WINDOWS

Amend the last sentence of paragraph two (2), Section 1405 (a) (windows), to read as follows:

In lieu of the foregoing requirements of this paragraph a mechanical ventilating system of suitable metal ducts may be substituted for windows in a secondary bathroom and water-closet compartment. Further, there shall be one main bathroom and water-closet provided within each Group I occupancy unit accessible to all occupants of the dwelling without the necessity of passing through a bedroom. Such a room shall be designated as the main bath and water-closet room and shall have an openable window exposure directly to the outside air. Where a mechanical ventilating system is used for the secondary bath room and water-closet compartment, the fan shall have an exhaust volume of not less than twenty-four (24) cubic feet per minute capacity and shall be connected with the electric light switch serving that room. An adequate supply of fresh air shall be provided for the room by means of a louver equal to fan exhaust capacity in the door or one-half inch (½) clearance between bottom of door and finish floor including any threshold or covering.

Group "I" occupancies Section 1405 Paragraph c
LIGHT, VENTILATION AND SANITATION

Add new sentence to Paragraph C, Section 1405:

The preceding requirements of this Section do not nullify or abrogate the requirements applicable to Group "I" occupancies as set forth in the Upland City Health Ordinance No. 380, where such requirements are more restrictive than those set forth in this section.

Section 1409.
PORTE-COCHERE OR CARPORT

Add to Section 1409, paragraph four (4), to read as follows:

A carport or Porte-cochere attached to a group "I" occupancy shall be considered only as a canopy for protection and convenience when loading and unloading passengers from an automobile and shall not be considered as a place of automobile storage. See the City Zoning Ordinance for off-street (garage) parking requirements.

Section 1503.
OCCUPANCY SEPARATION AND BREEZEWAY WALLS, ETC., BETWEEN AN "I" AND "J" OCCUPANCY

Amend Section 1503, to read as follows:

For Fire-resistive protection of exterior walls and openings as determined by location on property, see Section 504 and Part V. Also Section 509, Part III, when such walls and openings are relevant to or in conjunction with an "I" and "J" occupancy.

Section 1504.
OCCUPANCY SEPARATIONS

Add to Section 1504 paragraph two (2) to read as follows:

See added Section 509, Chapter 5, and Occupancy Separations, Table No. 5-B, Chapter 5, for requirements of separation between a place of automobile storage (garage) and other occupancies, when attached thereto.

Section 1707 (b).
FLASHING

Amend Section 1707 (b) to read as follows:

Exterior openings and/or appendages exposed to the weather, including chimney, door, window and other openings and/or appendages under porch, breezeway roofs or cornices shall be flashed with rust-resistive metal or other approved flashing in such a manner as to make them waterproof.

Section 2507 (e).
SHOWER STALLS AND BATH COMPARTMENTS

Add to Section 2507 (e), paragraphs 3, 4, and 5 as follows:

No. 3. All wood framing within six (6) feet above the floor in either a shower stall or around a bath tub equipped with a shower head, shall be thoroughly protected against moisture by means of a protective covering of waterproof building paper applied directly over the studs. Paper laps shall be not less than two (2) inches horizontal and four (4) inches vertical. Paper shall receive support between studs with horizontal placed wire of No. 18 U. S. wire gauge spaced six (6) inches on centers and stretched taut. This wire shall not be required when approved paper backed wire mesh is used.

No. 4. Any wall finish used in the above location, such as tile or plaster shall be approved as to type and method of application, and shall be non-absorbent to moisture. The use of interior gypsum plaster covered with paint is not accepted.

No. 5. Shower pans shall be secured in place without the use of nails, and under no circumstances shall any nails or other fastening devices be driven through a shower pan below the level of the shower stall curb. (Shower drain flange excepted).

Section 2508 (f).
WOOD IN CONTACT WITH MASONRY

Amend division (f) Title, and add paragraph four (4) to Section 2508 (f):

(f) No. 4. Wood structural members, such as, but not limited to beams, stringers, ledgers, columns or posts, in contact with concrete or masonry that is subject to moisture or dampness, shall be protected from such moisture or dampness by a permanent moisture resistant membrane or barrier of steel, galvanized iron, or other approved contact breaking installation methods or materials.

Section 2512.
FIREBLOCKS

Amend Section 2512, paragraph two (2) to read as follows:

In all stud walls and partitions, including furred spaces, so placed that the maximum dimensions of any concealed space is not over seven (7) feet.

Section 2516.
PLANTERS, ETC.
FLASH WALLS

Add the following paragraphs to Section 2516, Termite Provisions Chapter 25, appendix:

Paragraph 7. No portion of any house or building wall shall serve as a retention wall for earth or fill within a planter, unless such a wall is thoroughly protected against moisture and dampness, and the development of fungus, decay or dry-rot by an adequate air space and waterproof membrane in conjunction with a masonry flash wall constructed of the proper materials and in a manner to fully serve the purpose for which it is intended. Such flash walls shall extend not less than two inches (2") in height above the level of the outer planter wall, shall be designed with a cap to drain away from the main building wall and be thoroughly flashed.

Paragraph 8. Any building wall of concrete or masonry adequately designed to serve as a moisture resistant retaining wall and a bearing wall, may serve as a planter wall.

Paragraph 9. At the time of any addition, alteration or repair to any building where it becomes necessary to protect the wood siding or framing of an exterior wall against rot, fungus, or termites, a four inch (4") thick concrete flash wall shall be constructed, extending not less than six inches (6") above the finished grade or ground level and eight inches (8") below the foundation mudsill or lowest unit of wood in the wall framing. Such flash walls shall be securely anchored to the wood frame work by establishing a bearing ledge of one inch (1") on the top of the existing foundation by partial removal of the wall plate and shall further be anchored by means of approved veneer ties or 20D (penny) spike secured to the adjacent wood members. Flash wall to be adequately sloped on top to drain water away from the building, and thoroughly flashed or caulked at junction with stucco or siding. All wood framing adjacent to the flash wall shall be treated with an approved wood preservative. Metal lath shall be used against the wood framing to serve as the interior form work or backing while pouring flash wall. Flash walls established in conjunction with a concrete slab on a porch shall be constructed as set forth above but need only be one-half inch (½") in height above the slab and appropriately sloped. Under floor vents shall be provided as per Section 2516.

Section 3102.
CONCRETE SLAB FLOORS, ASSEMBLY PITS

Amend the first sentence to read and add a new paragraph No. 2 as follows:

Concrete slab floors shall be not less than two inches (2") thick and when placed on the ground shall be not less than three and one-half (3½") inches in thickness.

Floor furnaces, other equipment including traps, devices, and other apparatus including plumbing and heating piping, all of which through the necessity of installation requirements need be located below a concrete floor slab established on the ground shall be provided with an appropriate and accessible chase, well, pit or tunnel of adequate size to allow for convenient connecting, eventual repairs or complete equipment removal if necessary. The side walls and bottoms of such chases, wells, pits or tunnels shall be not less than three inches (3") thick of poured concrete.

Section 3202.
Roof Drainage

Delete the last sentence of Section 3202 and add the following:

ROOF DRAINAGE PIPE. The material used for either underground or concealed roof drainage pipe and fittings, shall be either of Standard weight cast iron soil pipe with lead and oakum joints, standard weight brass, copper or galvanized wrought iron pipe with threaded joints or connections. The material used for exposed roof drainage pipe and fittings shall be either standard weight cast iron soil pipe, brass, copper, galvanized wrought iron or steel pipe. All such exposed pipe shall be protected from injury and secured to the building by a method which will safely support its weight and in a manner satisfactory to the Building Official.

Section 3203.
WOOD SHAKES

Add a new Division (I) to Section 3203 to read as follows:

Wood shakes will be acceptable when made from sound line heartwood, of Cedar or Redwood 100% clear, 100% verticle grain, with no feather tips, shims, or knot waves and containing no sapwood, dote knots or worm holes. Nominally 4 butts to 2 inches minimum. Lay to provide not less than 2 thicknesses at any point with at least a 4" head lap. Lay a strip of 30-lb. asphalt saturated felt with a 4" end lap, between each course, with no felt exposed on the face. Sheathing shall be 1" x 6" Oregon Pine or approved equal boards spaced inches on centers the same as the permitted shake exposure. (See following table for shake exposures.)

Nail with Zinc-coated hot dipped 14 gauge nails or approved equal 1" above the butt of the next course.

Table No. 32-C.
Shake Roof Covering
MAXIMUM EXPOSURE TO WEATHER

Size	Weather Exposure
½" x 25" Tpr. split	10"
½" x 25" Resawn	10"
1" x 18" Resawn*	
1" x 25" Resawn	10"
1" x 32" Resawn	13"

*Eighteen-inch (18") shakes may be used only as a starter course at eaves or a finish course at the ridge.

Hips and ridges of shakes shall be laid to a modified Boston Pattern over a double thickness of 30 pound asphalt saturated felt, and at the same or less exposure of the shakes to that used on the slope or field of the roof.

Valley shakes cut parallel to the valley shall be kept two inches (2") on either side of the valley splash rib.

Shakes shall not be installed on a roof having a pitch less than 4 inches (4") to twelve inches (12").

Section 3305.
EXTERIOR STAIRWAYS, LANDINGS AND BALCONIES

Amend Section 3305, Division 2, paragraph (h) including exceptions, to read as follows:

(h) Every opening in the exterior wall of a building served by an exterior stair, landing or balcony which is used as a required means of exit, shall be protected by an automatically closing Class "E" or "F" fire door or window if the opening is within twenty feet (20') in any direction of the means of exit travel.

Exceptions: Opening above or level with the highest portion of the stairway, landing and/or balcony may be unprotected if not nearer than ten feet (10') to any part of the aforesaid route of exit travel. Provided further, that on any building of not more than two (2) stories in height, housing either group "H" or "I" occupancies only, any opening adjacent to the required means of exit travel may be unprotected if the stairway, landing and/or balcony including handrail walls attached thereto are thoroughly fire protected with materials approved for one hour fire resistive construction and exterior use for weather protection.

Section 5101-(d).
CONSTRUCTION, INSTALLATION, MATERIAL AND PERFORMANCE REQUIREMENTS

Add the following paragraph to Section 5101-(d), and delete paragraph two (2) of Part Three (3) of Subsection (i) of Section 5105.

GENERAL REQUIREMENTS ON ALL DUCTS OR PASSAGEWAYS USED FOR THE CONVEYANCE OF AIR FOR EITHER HEATING, VENTILATING OR AIR CONDITIONING PURPOSES REGARDLESS OF AIR TEMPERATURE, BUT SHALL NOT BE CONSTRUED TO INCLUDE PASSAGEWAYS DESIGNED AND USED FOR THE GASES OF COMBUSTION, SUCH AS VENTS, FLUES OR CHIMNEYS, OR A VENT SHAFT REQUIRED TO PROVIDE BOTH LIGHT AND VENTILATION TO AN INNER COURT.

Ducts or passageways and all portions thereof, constructed or installed in conjunction with either a heating, ventilating or air conditioning system for the movement or conveyance of either hot, warm or cold air either by mechanical force or gravity, shall be constructed of corrosion resistant metal of a type and gauge not less in thickness as set forth in Table No. 51 - E of this Chapter. Or such ducts may be formed by such parts of the building structure that are built-up solely of incombustible materials and construction of a type, considered impervious to moisture absorbption, corrosion resistant and possessing upon completion a smooth obstruction free interior surface throughout. In addition to the aforesaid requirements, such ducts shall further comply with all of the applicable requirements as set forth in this Chapter including such additional amendments or deletions as specified therein. Ducts for systems designed and used solely for ventilating and air conditioning purposes, shall likewise comply with all of the aforesaid requirements of this Section.

Section 5102.
COMBUSTION AIR FOR FURNACES

Amend Section 5102-C, Division 1 and 2, to read as follows:

Permanent openings equipped with and connected to incombustible ducts leading from the appliance enclosure to the outside of the building. For gas-burning appliances, such openings and ducts shall have a total unobstructed area of not less than one hundred square inches (100 Sq. In.) plus an additional one square inch (1 sq. in.) for each 1000 B.T.U. in excess of 100,000. For input capacity in excess of 500,000 B.T.U. the area shall be five hundred square inches (500 sq. in.) plus an additional one square inch (1 sq. in.) for each 1,500 B.T.U. in excess of 500,000. For input capacities in excess of 1,000,000 B.T.U. the area shall be eight hundred square inches (800 sq. in.) plus one additional square inch (1 sq. in.) for each 2,000 B.T.U. in excess of 1,000,000.

For appliances burning solid or liquid fuels the required areas shall be not less than one and one-half times those required for gas-burning appliances.

Permanent openings equipped with and connected to incombustible ducts leading from the appliance location to other interior areas permanently supplied with outside fresh air. Such openings and ducts shall meet the minimum required volume specified in subsection (c) 1.

Where the required openings and ducts are used, they shall consist of two or more, of approximately equal area, one or more of such openings to be within six inches (6") of the ceiling of the appliance enclosure and one or more within six inches (6") of the floor of the appliance enclosure.

All combustion air required to serve any furnace as set forth by this section shall be conveyed into or away from the inside of the furnace room, enclosure, or other areas established to provide such air, by means of corrosion resistant metal ducts not less in gauge or dimensions as set forth in Table No. 51-E regardless of the length thereof. A combustion air opening through a stud wall or other similar thin cross sectional areas of construction shall likewise be lined with metal as herein set forth to form a continuous smooth interior surface and a complete duct.

All combustion air ducts shall be covered at the appropriate end opening with one quarter inch (¼") mesh corrosion resistant metal screen.

For attic furnace installations see Section 5103-C.

Section 5103-c.
COMBUSTION AIR FOR ATTIC FURNACES.

Add the following paragraphs to Section 5103-c.

The general requirements pertaining to the combustion air supply for a furnace installation as set forth in Section 5102, shall apply to a furnace installation in an attic area, where such requirements are appropriate and applicable thereto, as determined by the Building Official, including any additional amendments herein set forth. Where openings between roof rafters are designated as the required means of providing combustion air, such openings shall be an integral part of a duct or ducts as necessary, which shall be continuous in length of run and so located and designed at the termination point to be above the ceiling joist and free from all possible eventual obstruction.

Screened metal louvers located in the gable ends of building walls or on roof surfaces of adequate intake capacity need not be equipped with metal ducts.

The mesh openings of any screen used in combustion air ducts shall be no smaller than one quarter inch (¼"). Such screening shall be of corrosion resistant metal.

Section 5107-b
WATER HEATER INSTALLATION IN GARAGES

Amend Section 5107-(b) to read as follows:

(b) Water heaters installed in garages shall be adequately guarded against mechanical injury and from coming in contact with combustible material. Such water heaters shall be located not less than thirty inches (30") above the floor on a shelf of sufficient strength to adequately support the load imposed thereon. There shall be provided adjacent to the water heater a permanent supply of fresh air from the outside amounting to not less than an opening of thirty six sq. inches (36 sq. in.). Such vent opening to be screened with one quarter inch (¼") galvanized iron wire mesh.

SUBSTANDARD BUILDINGS

Delete Chapter (13 Appendix) in its entirety.

Section 4710-c
EXTERIOR DEFINED

Add the following paragraph to Section 4710-c.

For the purpose of this Section, the word exterior shall be interpreted to mean that part of the surface of a building or structure, either vertical or horizontal that is outward or outside and being opposite from the inside surface or area and which is exposed under normal circumstances to the natural elements of the weather by one or more of the following conditions but not limited solely thereto, viz., fog, mist, rain, sunrays, wind, ice, snow. Said surfaces being more generally considered as soffits of breezeways, cornices, and porches but not solely limited thereto.

SECTION 3. Any person, firm or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdeameanor and upon conviction thereof shall be punishable by a fine of not more than $500,000 or by imprisonment in the county jail for a period of not more than six months or by both such fine and imprisonment.

SECTION 4. If any section or any part of this Ordinance or of said Building Code or amendment thereto as aforesaid shall for any reason be held invalid or unconstitutional by the decision of any court of competent jurisdiction such decision shall not affect the validity of the remaining portions of the Ordinance or Code, and the City Council of the City of Upland hereby declares that it would have passed this Ordinance and would have adopted said Code and each section and part thereof, and each amendment as aforesaid, irrespective of the fact that one or more sections or portions of this Ordinance or of the said Building Code or amendment as aforesaid should be declared invalid or unconstitutional.

SECTION 5. The City Clerk shall certify to the passage of this Ordinance and cause the same to be published at least once in the Upland News, within fifteen days.

Signed and adopted this 16th day of May, 1957.

Brethren Plan Day Of Memory For Last Services In Church

Sunday will be a memorable day for members of the congregation of the Brethren in Christ church for it is the final day for services in the sanctuary where services have been held since 1919, according to the Rev. Alvin C. Burkholder, pastor.

Actually, the church has occupied the same site since 1904, Mr. Burkholder stated, and before the building which is to be vacated was built the original church was enlarged three times. The present church was dedicated in 1920.

To Look Backward

The entire schedule for the day will be looking backward through the years, according to Pastor Burkholder, and will begin at the 9:30 a.m. Sunday school when there will be presentations to former Sunday school superintendents.

During the 10:30 a.m. worship services devotions will be led by the Rev. Amos Buckwalter and Bishop H. G. Brubaker will speak on "The Manifestation of God in the Sanctuary".

Ernest Boyer will lead a panel discussion on "The Upland Congregation, 1904 to the Present". Panel members will be Mrs. Harry Buckwalter, Paul Engle, Harold Musser, Miss Ardys Asper and Robt. Campbell. Mmes. Cora Byer, Cletus Naylor, H. G. Brubaker and Ben Lenhert will be heard in special music with Royce Saltzman as director.

Evening Songfest

Following evening service at 6:30 p.m., with a special program for all groups, there will be a song service at 7:30 o'clock.

Featured during this period will be two choirs which brought much credit to the church in the past by singing not only in the church but at community affairs.

Members of the Aeolian Quartet, remembered by many, are Mmes. Allen Buckwalter, Millard Herry, Cletus Naylor and Miss Janet Goins. Victory choir members Eldon Bert, Amos and Allen Buckwalter, will be joined by Mrs. Saltzman, who will replace original choir member, Arthur Climenhaga, who is now in Africa.

Special Speakers

Mrs. Allen Foote will recount childhood memories and other speakers will include J. P. Bert, telling of Sunday school experiences and Miss Anna Eyster, recently returned from Africa, who will tell of Missionary outreach.

"Forward With Christ" will be the topic of the pastor.

Pastor Burkholder announced that services on June 9 will be held in Upland college chapel and will continue there until the new church, now being planned, is ready for occupancy.

Pentecost Week Union Services

Announcement was made yesterday of the forthcoming Pentecost week union services to be held nightly at 7:30 o'clock, beginning June 3. Ten area churches are joining together for the series which will conclude on Pentecost Sunday, June 9, with a mass meeting at the Upland college gym, 2:30 p.m.

Rev. David Nunn, Dallas, Tex. will be the speaker. Services are scheduled for the Church of God, Ontario, Upland Foursquare church, Ontario Foursquare church, Bethel Tabernacle, Ontario, Pentecostal Holiness church, Ontario, and the Evangel Temple, Upland. Local pastors will speak at the week night services and include Rev. Jimmy Adams.

News of our.... CHURCHES

'Calm Down' Rev. Hart's Sermon Topic

The Rev. Trusten A. Hart, pastor of First Presbyterian church, will preach his sermon at the Sunday services on the subject, "Calm Down, Martha!" Under the direction of Burton T. Jackson, the senior choir will sing, "Build Thee More Stately Mansions" by Andrews, as the anthem for both 9:30 and 11 a.m. services.

Westminster Fellowship young people will meet at the church at 4:45 p.m. to go to San Antonio canyon to look for rocks suitable for use in he new church building. The rock-hunt will be followed by picnic supper.

There will be supper and fellowship of the Junior High age young people, Tuesday, 5 p.m.

The Caroleer Choir will not meet this week on the holiday but will hold the final meeting and a recognition service, June 6 at 3:30 p.m.

Women's Assn. meets June 6, at 11 a.m. and for 12 noon luncheon. Miss Sheryl Flum will share her experiences of the past year in India as the program at the luncheon hour.

St. Mark's Has Service Today

The Feast of the Ascension will be marked at St. Mark's parish today with celebration of the Holy Eucharist at 9:30 a.m. The Rector, the Rev. Jos. A. Erickson Jr., will be the celebrant and will bless at the Altar the united thank offering boxes of the women of the parish. This offering of more than $1,000,000 a year, nationally, goes for missionary work.

Sunday three services will be held, at 8, 9:15 and 11 a.m. At the last service Fr. Erickson's sermon will be entitled "His Mighty Resurrection and Glorious Ascension".

At 3:30 p.m. Sunday, the Parish family picnic will be held in Upland Memorial park.

Dr. Lee's Topic "Thy Glorious Church" Sunday

"Thy Glorious Church", is the theme for Dr. Ralph W. Lee's sermon at the 9:30 and 11 a.m. services Sunday in First Methodist church.

Music will include two anthems by the Cathedral choir. "Come Blessed Master" by Winnifred Leak, and "Prayer to Jesus" by Oldroyd. Mrs. Lucille H. Kaufman, soprano, will sing at both services.

Church school starts at 9:30 a.m. with classes for all ages, and the three MYF groups meet at 7 p.m. for study, worship and fellowship.

An official meeting of the church board will be held Tuesday, June 4, at 7:30 p. m. Prayer meeting at 7:30 p.m. Wednesday, June 5, will be under auspices of the Commission on Membership and Evangelism in the church parlor.

Riches without charity are nothing worth. They are a blessing only to him who makes them a blessing to others. — Fielding.

Hospitalized

Recently returned to their homes after receiving treatment in Ontario Community hospital were, Gloria Alvarado, daughter of Mr. and Mrs. Benjamin Alvarado, 9650 Estacia St., Cucamonga, surgical; Mrs. Yvonne Weike, 824 Sycamore Ct., surgical; Mary Ann Pena and Peter Pena, 836 Fifth Ave., Surgical.

The super-carrier USS Forrestal is almost 10 stories high, keel to flight deck, with a five-story superstructure, giving it an over-all height of approximately 15 stories.

USC Leader At Mennonite

The Rev. D. D. Eitzen, Los Angeles, professor of pastoral psychology at USC School of Religion, will be the guest speaker at First Mennonite church Sunday, 10:30 a.m., when his sermon topic will be, "Ascension Day Meditation".

There will be special music by the adult choir, under the direction of Tedd Schilling, director.

The evening service at 7:30, will be under the leadership of Mr. and Mrs. Fred Yoder and will be given by the Christian Endeavor group.

Miss Ruth Engle, a junior student at Upland college, is temporarily filling the position of clerk-typist left vacant in the City Water Dept. by the departure of Mrs. Marie Gavalya. An examination will be held to fill the position in the near future.

To Present Local Boys' Club Blue Print

As fulfillment of a Boys' Club of Upland nears, with the promotional dinner to be staged Monday night in Upland Woman's club house, this group enjoys a preview of club activities at the Los Olivos recreation building on N. Campus Ave., which will provide the club headquarters. In the top picture, Benny Zamudio, at the keyboard, tries to convince the group he can't play the piano. Enjoying the fun are from left, standing, Jerry Lira, Texas Austin, Sgt. Feliz Quesada, director of the Juvenile bureau of Upland Police department and instrumental in organization of the long-needed Boys' club; David A. Brownell, newly hired director for the club, and Bill McCollough.

In the second picture, some friendly sparring takes places at the entrance to the club building, with Director Brownell as referee. Performing with the gloves are Jerry Lira and Benny Zamudio. Looking on from left are: Texas Austin, Richard Caldera, Bill McCollough, Frankie Barbosa and Ray Jiminez.

Promotional Dinner Set For Monday

A Boys" Club of Upland to provide recreation as well as citizenship and leadership training for some 250 boys between the ages of seven and 17 is an accomplishment of which any community can be proud.

Every citizen of Upland can take pride in knowing that his community is demonstrating the best leadership ability by establishing the first Boys' club in the western area of San Bernardino county.

A "blue print" for Boys' Club of Upland will be presented at a promotional dinner, open to the public, Monday, 7:00 p.m. in Upland Woman's club house, and it is hoped that the pride of every civic minded citizen will be sufficient for his attendance at the dinner to signify not only his support of the Upland club, but to also serve as encouragement for the Boys' club idea to take root in other communities of this area.

Final Plans Made

Final plans for the Boys' Club of Upland promotional dinner were made at a meeting of the temporary board of directors Monday evening in the home of Mrs. Wayne F. Cameron, 2457 San Antonio Crescent E.

Presiding at the dinner will be Alexander McLeish, principal of Upland High school. Heading the hospitality committee will be Mrs. Earl Riggs, president of Upland Woman's club.

Principal speaker for the evening will be Aaron Fahringer, western director of Boys' Club of America. Dinner tickets are $2.25 each and reservations may be made by telephoning YUkon 2-7981.

Plans For Opening

Also meeting with the Board was David A. Brownell, who has been hired as director for the Boys' club. Under discussion at the session were plans for the formal opening of the Club to start the summer season as well as the number and time of the sessions to be held.

A list of badly needed equipment was prepared with the hope that some articles might be donated from members of the community. Included in the list are a television set, coke machine, soft ball and basketball equipment, craft material and games as well as books and magazines for boys of all ages.

Persons having any equipment they wish to donate for the Boys' club are asked to telephone YUkon 2-7981 or deliver the equipment to the Los Olivos Community center, N. Campus Ave. north of Foothill Blvd.

D. A. Brownell Named Boys' Club Director

David A. Brownell has been hired by the board of directors of the new Boys' Club of Upland to serve as the club director.

Currently teaching at Cucamonga School, Mr. Brownell received his training at the University of Redlands. He is now enrolled at La-Verne college for further study.

Before teaching at Cucamonga, Mr. Brownell taught for three years at Twenty-Nine Palms, where he was also industrial arts and physical education co-ordinator.

An Eagle Scout, Mr. Brownell has also had youth leadership experience as a scoutmaster. He is married and the father of an infant daughter. The Brownells reside in Pomona.

Mesa Growers Open House

Fifth annual open house at Cucamonga Mesa Growers is scheduled for June 7 at which members will be given an opportunity to see the plant in operation and to see some of the leaders in the California citrus industry.

Nelson McIninch, Radio KNX farm reporter, will broadcast at 12:15 p.m. as one of the unusual features. F. R. Wilcox, general manager of Sunkist Growers, will also be present.

A buffet luncheon, starting at 11:45 a.m. will be served the members and visitors, according to Melvin Henderson, manager.

Collect Merchandise For Sale, Auction

As the collection of merchandise for the annual Upland Kiwanis club rummage sale and auction was intensified this week, this group met to prepare the storage quarters for the variety of contributed items to be sold June 8 at Couch's Chevrolet lot, Foothill Blvd. and Third Pl. Joe Kamansky (with wheelbarrow) has provided storage space for the merchandise at his San Antonio heights home. From left, the Kiwanians are John McCabe, chairman of merchandise procurement; John Nicholson, club president and member of the merchandise pickup committee; Mr. Kamansky, merchandise procurement committeeman; W. W. Woodward, chairman of sales; and Rayburn Anderson, chairman of cleanup. Persons having contributions to make for the Kiwanis sale should call Silas C. Harvey, 2-7052 or 6-5827, for pickup service.

—Upland News Staff Photo

Kiwanians Seek Merchandise For Big Sale

John McCabe, chairman of for the annual Kiwanis club rummage sale and auction, is urging all persons having merchandise to contribute for the sale to call for pickup service.

Silas C. Harvey is chairman of the pickup committee, assisted by John Nicholson, Don Gannon and Oren Decker. For pickup service, Mr. Harvey can be reached by telephoning Yukon 2-7052 or 6-5827.

The sale is scheduled for Saturday, June 8, on the Couch Chevrolet sales lot, Foothill Blvd. and Third Pl.

Frank Rocchio is general chairman.

Profits from the annual event go toward furthering the Kiwanis youth activities in this community.

Home Cafe To Be Closed for Redecoration

The Home cafe is going to be redecorated and while the new, attractive interior finish is being added, the long-established local restaurant will be closed.

Work will be done on Thursday, Friday and Saturday of this week, with the reopening next Monday. The cafe is at 186 N. Second Ave.

Cucamonga School Must Go On Block

With Cucamonga School district notified by the State that it must offer its old school plant for auction, possible uses for the building are being discussed by the school board.

President George E. Partridge is interested in learning if any local organizations or groups have any ideas as to the future use of the old Cucamonga School plant on Archibald Ave., south of Ninth St. He suggest its possibilities as a logical city hall for the proposed incorporated city of Cucamonga, or possible county offices for the area.

The school board has been notified that within 90 days after this year's school term has expired, the old school must be appraised and offered at auction to satisfy, in part, the state loan made to build the new school now nearing completion.

Until now the trustees have delayed any action for disposing of the old school in hopes someone might come forth with ideas on how it could be retained for use of the community.

However, Mr. Partridge reports the school district cannot now retain title to the property, as present state school laws would penalize the district for the footage and it would suffer on further building of additional classrooms at the new school site.

No One Is EVER Too Young To Have A Savings Account!

Just about the nicest thing you can do for your youngster—boy or girl—is to open a savings account for him here in his own name. For even an eight or ten year-old there's a real thrill in knowing he has money in the bank!

If you are thoughtful, you'll add to your child's account on birthdays and other special occasions. And if you're wise you will encourage him to save regularly on his own hook, too. A dime or a quarter a week, laid aside, soon adds up to the dollar he will want to "put in the big bank" on the corner of Second Ave. and Ninth Street.

THRIFT IS A FINE HABIT!

By encouraging your child to save money, you are painlessly teaching him the great lesson of thrift that will stand him in good stead when he is older.

So bring your youngster in this week to open his account. Let our cashier explain to him his savings earn 3% and how those earnings help his savings grow. Watching those savings grow, adding to them, is a fine experience for any boy or girl.

SACRAMENTO — Goodwin and Virginia Knight live in a 23 room 80-year old mansion in this historic state capital.

That is, this is their official home but they are here only when there isn't some place for them to be in serving the state — and serving his own political interests.

The governor and his beautiful, charming, tall dark-haired wife are exceedingly gracious as hosts. On four successive weekends, the governor, his wife and staff are hosting California newspaper families. Eighty of us were their guests last weekend.

In a Friday morning press conference he spoke frankly on several current issues. At noon, we were personally escorted on a tour of the three-story, high ceilinged mansion with all of its characteristic old-fashioned "gingerbread" and quiet dignity.

Pink is Mrs. Knight's favorite color, which is dominant in the decorations and furnishings. In greeting guests in her easy manner, she observed women's attire and a pink garment or decorative piece always inspired an exclamation.

"Ah," and her sparkling black eyes flashed, "pink is my color." Her warmth was contagious.

When in Sacramento, the governor and his wife always have breakfast together. Perhaps twice during an average week, they are together for the evening meal.

As to the governor, who knows by their first names many California publishers, he is noted for speaking decisively on current issues.

In his press conference, Governor Knight touched on these matters:

● Locating of the new freeway routes is the "most frustrating experience" because many people are unhappy when their property is used or when a route gets too close to them. While the highway commission has full authority in deciding on locations, the governor, nevertheless, is constantly drawn into the situation. A new bill requires that local officials of all affected communities must be heard before a location is definitely established.

● One and one-half million dollars is spent by the state every working day in the building of additional freeways. California now has 75,000 miles of highways.

● Forty-six thousand persons are now in the state's mental hospitals and inmates of the prisons total 17,000.

● Sum of $984,000,000 in state funds will be spent on education this year.

● The current state law calls for capital punishment — and the governor is insistent in observing the law. If the voters want a "moratorium" on capital punishment or want to abolish capital punishment, they will have to get the law changed, he said. Ten states abolished capital punishment — and then restored the practice. He admits he does not know the answer to the question: "Is capital punishment a deterrent to murder?"

● The state's budget totals $1,947,000,000. He said he will veto all appropriation bills passed by the legislature, unless the bills provide for new revenues.

● It woud be disastrous to the Republican party if there is a violent contest "between two leading Republicans" for governor in next year's primary. He has the "highest regard" for U. S. Senator Wm. Knowland but he is hopeful the "party" will not have to experience a political race between him and Knowland.

Sharps and Flats

By Chuck Barlow

After a dismal review of my financial progress for the five year period just ending, I've decided something drastic must be done. Five years of steady and hard work has amassed but little of that green stuff.

The green stuff I've laid away in this time wouldn't give a small family of moths a good meal. There must be some way to master this situation if one is to pilot his own cabin cruiser and vacation in Spain.

This situation isn't unique with me alone. A number of my contemporaries, including Ted Atwood and Gene Dary, have also made this horrid discovery.

With a good hot idea and a solid organization one should, in these times, be able to get enough of the green stuff rolling in to give Allan Barr satisfaction for sponsoring the movement.

A good sound idea suggested to me the other day could be made into a paying proposition.

This fellow told me it was possible to cross an Idaho Russet potato with a sponge. Of course this wouldn't add much to the flavor of the potato but the potato would hold more gravy.

In this day and age of cheap potatoes and tough meat such a commodity would be worth a mint. It doesn't take much meat to make a lot of gravy but gravy without something to absorb it is mighty monotenous.

Bill Gilliland with a little urging should be able to produce this high absorbtion spud. Once produced, a corporation could be formed to grow and market the commodity.

The priceless seed could be let to farmers on a crop return basis. The corporation would furnish the seed, buy back the increase and market it across the nation.

I've thought of Gene Dary as president of this corporation because of his studious nature. He goes into every item thoroughly, especially if I suggest it.

Ted Atwood would make a good vice president because he's never around when you want him and Sam Barker would serve nicely as secretary. Sam is used to organized confusion in paper work and that is the first requirement of a good secretary.

There should be two separate treasurer's jobs. One of course to pay the bills and see that all incoming accounts have been properly audited. Basil Harris would be tops for this job because he's a master at reading the hieroglyphics used by doctors in lieu of handwriting.

We'd need a couple of other board members in the peon class like ourselves. Say Bob Theall and Val Ogella for instance.

With an organization like this, things would really roll. It would take a sorting and packing house covering ten acres to handle the volume. This would include conveyors, dumps and loading docks. A wonderful addition to Upland industry.

With proper manipulation I might get that other treasurer's jobs. The one who handles the incoming money.

TIME PASSES

25 Years Ago

Four of seven Civil War veterans, members of the Ontario Post GAR, were honor guests at a Rotary luncheon when A. Podrasnik, commander, occupied the chair.

It proved an inspiring experience for Rotary members who heard stirring tales of the war from the old soldiers.

F. W. LaGrange, also of Upland, reminisced to the effect that he had served under three of the finest generals of the war, Grant, Sherman and McPherson, and had been a member of Grant's bodyguard at the surrender of Vicksburg.

Commander Podrasnik related that General Logan proclaimed the first Memorial Day in 1868, and read an eloquent Memorial Day address which had originally been given by one of the comrades of his regiment, in Chicago, at an early ceremony marking the day.

15 Years Ago

Gene Fetrow, a pilot with the Eagle Squadron, flying with the RAF in Britain, made the news broadcasts after being one of three pilots who sank a German minesweeper off the coast of Holland.

In a previous letter to his parents, Mr. and Mrs. Paul Fetrow, he had written that he had just got in from two dog fights and was very tired. He was to be given 48 hours leave.

Henry Busch was urging citizens to support USO. All girls of the community were invited to a dance at Red Hill Country club when soldiers stationed in the area were to be entertained.

Memorial day was to be observed with a parade and a program and the GAR was to be represented by a riderless horse.

Mrs. Samuel E. Atkinson was hospitalized as the result of an oil stove explosion when she received painful burns.

Plans were being made for collection of useful salvage in a "Salvage for Victory" campaign, through efforts of a committee, city officials and the chamber of commerce.

Dr. James V. Latimer — This Life We Live

MEMORIAL DAY 1957:

Once again we experience that day set aside for the special honoring of our men who have fought to keep our nation alive. I am glad that the government took action some eighty-nine years ago and has maintained it all during these many years. There will be fitting memorials to convey our gratitude to the men who made the ultimate sacrifice.

Some of us who were born not too long after the close of the Civil War remember well those early Memorial days. My own father was with the soldiers of the North, although he was born in the South. His older brother was there also, and experienced more than forty battles in which he had a part. From my earliest days I heard the stories of those battles and their hardships. Later on when mature years had come I visited some of those battle fields. At Vicksburg I was able to locate the position of the regiment where my father fought. I stood in silence and thanked My God for the men who had fought there and for the many who gave their lives that our nation might remain One Nation. I remembered also the millions of others who sacrificed their all as they saw husbands and sons march away.

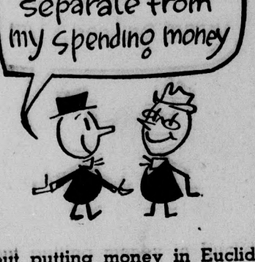

Those early Memorial days are still firmly fixed in my mind and with closed eyes I can still march along the route taken to the cemetery. There were the men who had endured, some broken in health and many others who carried the scars of battle. There were carriages and farm wagons for those who could not endure that walk of a half-mile or more; there were uniforms that had actually been worn in battle and I well remember my father's funny cap, his boots and the uniform. There has been a change in all this, but the spirit remains the same —that spirit of giving, even life. I stood thrilled as the firing squad fired those old muskets over the graves of those who did not hear. But I heard and remembered. Such experiences were real.

Now the Grand Army of The Republic is no more. The men who were thus banded together have passed to their eternal reward. We remember them with thanksgiving; we honor them for what they were and for what they did. Our homes of this day have also been broken by the passing of those young men and strong who gave their all. We shall remember them in a special way this year, and once again I shall stand in silent thanksgiving as the troops march by. Not only that, but throughout the coming year my heart shall continually raise an anthem of praise and of thanksgiving.

On this day we shall not only pay tribute to the dead, but shall remember the living as well, and especially the men and women broken in body and confined to the many veterans hospitals throughout our land.

We shall not forget this day.

Money on a shelf – but available

One nice thing about putting money in Euclid Savings & Loan at Ontario is that you can think of it as being there more or less permanently.

You are not tempted to take it out, as you are when money is in an ordinary checking account.

You've got your money put away safely and earning good interest, now 4 %, but you haven't got it sewed up for any long term of years as you have in some kinds of savings plans.

And you aren't gambling, as you are in many types of investments. Your savings are safe because of Euclid Savings' assets of over $9 million, and because each account is insured by an agency of the U. S. Government.

You can start with as little as $5 and add any amount to your savings at any time, either in person or by mail.

Each savings account insured up to $10,000 by an agency of the U. S. Government.

ATTENTION! SOAP BOX DERBY DRIVERS

1957 is the 20th Anniversary of the Soap Box Derby!

Alan A. Couch Chevrolet is going all out to make this year the biggest and best ever!

JUST ARRIVED . . . a shipment of new wheel kits, steering wheels and cables. Plenty of information available for boys with construction problems concerning their racers.

Numerous steering wheel failures are due to mishandling and improper fitting of pulleys, guides and clamps. It is important that all Derby drivers comply with the rule book in order to qualify and for their own personal safety.

In order to make the race fair for all entrants, wheels, axles and steering wheels must be the same. Many inquiries are received regarding these parts. Coaster wagon and other type wheels will not pass inspection. The wheel from your Chevrolet dealer are the most practical to use.

Rule books, plans and designs may be had by calling at 356 E. Foothill Blvd., Upland or by telephoning YU. 2-1571.

The winning car from the Upland district is now on display in our showrooms and your inspection is invited.
